**Around the Circle** Garry Boulard,2008 In 1866 President Andrew Johnson was trying to find solutions to a bewildering array of immediate post Civil War challenges what to do about the recently liberated slaves how to bring the South back into the Union whether or not former members of the Confederacy should be pardoned and forgiven for their war time acts and building a thriving national economy that would provide jobs for millions of new veterans Confronted with an increasingly assertive Congress that had been frustrated by its lack of influence during the presidency of Abraham Lincoln Johnson decided to take his case directly to the American people for the fall mid term elections of 1866 becoming the first president in history to actively engage in a political campaign In a trade ride in which he was joined by the hero Ulysses S Grant the very young George Armstrong Custer and the legendary William Seward the secretary of state who was viciously attacked on the same night that Lincoln was murdered Johnson spoke to hundreds of thousands of voters from New York to Chicago and St Louis But because of his confrontational intemperate rhetorical style and habit of engaging hecklers in direct verbal battle Johnson alienated more people than he won over resulting not only in a thumping defeat for his cause at the polls but a move to impeach and remove him from office by opponents who were convinced that Johnson s behavior on the Swing Around the Circle showed that he was mentally unbalanced Repeatedly referred to by historians and reporters in the decades since the Swing Around the Circle has never been explored in one single book until now *Swingin Round the Cirkle* David Ross

Locke,2003 **"Swingin Round the Cirkle."** David Ross Locke,Petroleum V. Nasby,1867 **The Short Reign of Pippin IV, A Fabrication** John Steinbeck,2022-08-16 Set against the backdrop of mid 20th century political disillusionment John Steinbeck s *The Short Reign of Pippin IV A Fabrication* masterfully blends satire and absurdism to craft a narrative that critiques the nature of power and leadership The book chronicles the rise and fall of the fictional monarch Pippin IV who despite his idealistic vision for France finds himself ensnared in the chaotic web of political machinations and public expectations Steinbeck s prose is both sharp and poignant inviting readers to reflect on the fragility of authority within a world that often prioritizes spectacle over substance This dazzling fabrication enables a profound exploration of human folly through an engaging combination of humor and tragedy prompting readers to consider the complexities of governance and the human condition John Steinbeck celebrated for his keen insights into social issues and human behavior draws inspiration from his extensive experiences during the Great Depression and his profound understanding of systemic oppression His commitment to social justice often permeated his work and in *The Short Reign of Pippin IV* he employs absurdist elements to

unveil the farcical nature of political power ultimately shedding light on the real world implications of governance and the interplay of hope and disillusionment The Short Reign of Pippin IV is a captivating read for those who appreciate layered storytelling infused with intellectual critique Steinbeck's wit and philosophical depth make this novella a significant addition to the literary canon appealing to both fans of classic literature and contemporary readers alike It serves as a poignant reminder of the cyclical nature of leadership and the inevitable confrontations between ideals and reality Swingin Round the Cirkle Petroleum V.
