Sydney And The Whalebird:

Sydney and the Whalebird David Elliot,2001-03 Sydney the penguin s latest invention causes his friend Bill the whale to get stuck in a large hole on the beach The other animals try to rescue him but nothing seems to work until Sydney has one of his ideas This time Sydney s idea is to build a hot air balloon to lift Bill up out of the hole It works to everyone s delight but as Bill and Sydney float higher and higher in the sky they start to get frightened It s up to the inventive Sydney to find a way to get Bill and himself back to the safe waters of home **26: Sydney and the whalebird** ,2005 *Digital Narrative Spaces*

Daniel Punday,2021-12-30 There is a broad consensus that digital narrative is spatial but what this critical term means and how it is used varies greatly depending on the discipline from which it is approached Digital Narrative Spaces brings together essays by prominent scholars in electronic literature and other forms of digital authorship to explore the relationship between story and space across these disciplines This volume includes an introduction with Marie Laure Ryan s typology of space followed by thought provoking individual chapters which explore innovative explorations of electronic literature locative media literary tourism and the mapping of real world literary spaces The collection closes with an essay analyzing continuities and discontinuities in theory of space across the chapters This volume will provide an important framework for establishing a dialogue across disciplines and future scholarship in these fields Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **A List of New Zealand Books in Print** ,2002

Children's Book Review Index Gary C. Tarbert,2002 The Adventures of Sydney Penguin David Elliot,2007 Sydney and the sea monster and Sydney and the whalebird are New Zealand classics Loved by children and adults alike David Elliot s stunning picture books were first published in 2000 and 2001 Now for the first time the two books are published together in one bumper edition Just in time for Christmas this makes a terrific and impressive gift at an excellent price Pacific Islands Monthly ,1979 **First Fleet Surgeon** David Hill,2015-05-01 In a single leather bound volume of 238 unlined pages of parchment Surgeon Arthur Bowes Smyth describes his two and a half year journey with the First Fleet from Portsmouth in England to the new colony in Australia and back He is a frank articulate and observant writer and his diary a treasure of the National Library of Australia covers life at sea stopovers in the slave port of Rio de Janeiro and the tropical paradise of Tahiti and three months of early settlement in Australia As surgeon to more than 100 convict women on the Lady Penrhyn Bowes Smyth gives an insight into the plight of these women sentenced to transportation and their children Their voyage was marked by seasickness miscarriage infant deaths a diet of salted meat and dry hardtack biscuits and cruel punishment from thumb screws to gagging and flogging with a cat o nine tails When they finally set foot on Australian soil their travails did not end being set upon by drunken sailors and crew in a scene of debauchery and riot Bowes Smyth also describes medical incidents that would make a modern reader squirm from extracting a jigger worm from his own foot to a scurvy outbreak which resulted in bleeding noses contracted muscles emaciated bodies and swollen blackening limbs There are moments of

high drama when mountainous seas threaten to overturn the ship or when passengers fall overboard as well as calm days at sea spotting porpoises whales seals and all manner of sea birds Upon finally reaching Botany Bay Bowes Smyth describes the joy which possessed every breast upon so long wished for an event He details early encounters with Aboriginal people and the struggles in setting up the new colony which was plagued from the outset by food shortages outbreaks of disease and crop failures He also describes the promiscuity and lax morals of the convicts with typical flair declaring their audacity not to be equalled amongst a set of villains in any other part of the globe In First Fleet Surgeon author David Hill brings to life the voyage of the Lady Penrhyn and the early months of settlement at Port Jackson modern day Sydney through Bowes Smyth's colourful language and frank anecdotes Each chapter includes a page of Bowes Smyth's handwritten diary entries

accompanied by a full transcript and is richly illustrated with paintings lithographs and maps from the National Library of Australia's collection Information boxes on subjects such as eighteenth century medical knowledge brewing beer on board and a surgeon's typical day provide context to Bowes Smyth's story
