History and Literature of Early Christianity Helmut Koester, 2012-10-25 This work has established itself as a classical text in the field of New Testament studies Written in a readable non technical style it has become an indispensable textbook and reference for teachers students clergy and the educated layperson interested in a scholarly treatment of the New Testament and its background in the Judaic and Greco Roman world *Radical Philosophy of Life* Ernst

Baasland, 2021-01-13 The Sermon on the Mount never ceases to challenge readers in every generation New methods and new insights into new surroundings have to be applied to the most influential speech ever given In this study Ernst Baasland takes a fresh look at the history of research done on it both on its broad influence and on the variety of interpretations The historical questions are seen from new perspectives Is orality the key to a better understanding To what extent can we reconstruct a pre text and the question of authenticity be answered These questions are seen through historiographical lenses The author argues in favour of a universal addressee and maintains that the speech contains radical philosophical thinking The first audience consisted of Jews and the religiously based understanding of life is conceived within Judaism However its ethics of wisdom is developed in a Hellenistic setting and provides a radical philosophy of life **New**

Testament Textual Criticism: The Application of Thoroughgoing Principles James Keith Elliott, 2010-12-17 J K Elliott has been identified as one of the Main exponents of so called thoroughgoing textual criticism In this collection of fifty seven of his essays from the past forty years are articles on methodology as well as on praxis with a selection of important textual variants including some of especial interest for exegesis Also included are several essays on textual criticism which emphasise its relevance for the discussion of the synoptic problem and there are also a number of assessments of printed editions of the Greek New Testament A bibliography of Elliott s writings is appended Those interested in the New Testament text and in Greek manuscripts as well as scholars working on the history of exegesis or the Greek language which

thoroughgoing criticism encourages will find this collection of value The selection will enable readers to have an overview of Elliott's contribution to the discipline *Synopsis Graeca quattuor evangeliorum* M.
