When you install your T3, maintenance should consist of, at most, (1) lubrication of the T3 wheel and roller supports (weekly, recommended), and (2) to check ground connections. Failing to check the ground connections may result in a fire hazard. To ground the product, connect the maintenance kit (included) to the ground.

When you install your T3 within the same room required, see through, unobstructed paths to, and from the Recycling Bin(s) every day. Doing so is the easiest way to prevent maintenance problems and difficulties with the product as well as to ensure compliance for the correct facility.

Abstract: This research is an exploratory study that examines the relationship between the use of the Internet and the use of the Internet for business purposes. The study is based on a survey of 1000 business owners and managers. The results show that the use of the Internet for business purposes is positively related to the use of the Internet for personal purposes. The study also found that the use of the Internet for business purposes is positively related to the use of the Internet for social purposes. The study concludes that the use of the Internet for business purposes is a key factor in the success of a business.
