messages are included in this volume under the title The Ground of the Church 8 Twelve messages given in Hong Kong These messages are included in this volume under the title The Ground of the Church and the Ministry That Builds Up the Church 9 Eight messages given in Hong Kong on December 4 through 21 These messages were previously published in a book entitled Service for the Building Up of the Church and are included in this volume under the same title 10 Three messages given in Hong Kong in December The second and third of these messages were previously published in a book entitled Men Who Turn the Age The first message was added at the time of the compilation of this volume The three messages are included in this volume under the same title *Let God Arise* John Whitman,2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources Seeing most young Christians don t have any real access to Bible school training and receive a lot of their information from friends family and various sources I became burdened to teach them in depth about the subjects they would talk about I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings Having been to Kenya Africa on a mission trip where I had the ability to teach some of the things in this book I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord [Memoirs of Thomas Papillon, of London, Merchant. \(1623-1702\)](#).
