**Philip Kemp**

## **Sweet Smell Of Success:**

Sweet Smell of Success Ernest Lehman,2000-03-31 The screenwriter behind North by Northwest and Who's Afraid of Virginia Woolf skewers show business in these fifteen tales In Sweet Smell of Success the main novelette of this collection Lehman scathingly depicts the dark side of success through the twisted relationship of Sid Wallace an ambitious publicist and Harvey Hunsucker a powerful and vindictive gossip columnist fashioned after Walter Winchell As scandals are manufactured and reputations ruined for sport the story spirals downward toward one last savage act of revenge As brutally honest as Nathanael West's The Day of the Locust Sweet Smell of Success is one of the most enduring and provocative stories in the literature of show business In The Comedian one of America's most beloved funny men is about to become a television superstar but a large banana peel awaits him Meanwhile the remaining stories dissect the entertainment industry in a way that only Lehman could do Both Sweet Smell of Success and The Comedian were adapted for film Sweet Smell of Success was a 1957 film starring Burt Lancaster and Tony Curtis while The Comedian was a TV movie starring Mickey Rooney and Edmund O'Brien Sweet Smell of Success is a corrosive valentine to New York embracing its energy and its clashing ambitions Sam Kashner Vanity Fair Siddown Listen to these They are not Lindy's cheesecake or long on kisses and schmaltz But if you like prose pale as a shark's belly they do just fine Kirkus Reviews

Sweet Smell of Success James Naremore,2017-10-06 The highest artistic achievement of Hecht-Hill Lancaster an innovative production company that emerged in Hollywood at the end of the classic studio system Sweet Smell of Success 1957 portended the collapse of Breen Office censorship and was the first US entertainment film to depict McCarthy style exploitation of the press It also presented an unusually dark view of the culture of celebrity presaging developments of an even darker kind in our own day Sweet Smell's frightening portrayal of a newspaperman loosely based on Walter Winchell and its unstinting depiction of corruption and sleaze in the world of Broadway theatres and nightclubs have given it a legendary reputation critics and film makers continue to praise the whiplash dialogue of Clifford Odets and Ernest Lehman the seductive location photography of James Wong Howe the stylish direction of Alexander Mackendrick and the disturbing performances of Burt Lancaster and Tony Curtis as ruthless gossip columnist J J Hunsecker and his ambitious but doomed acolyte Sidney Falco James Naremore's masterly study of Sweet Smell of Success offers new information about the many revisions of the screenplay the production company's negotiations with censors and the tense circumstances under which the film was shot and received by the public Naremore places the film in its historical context arguing that it functioned as the revenge of the Hollywood left against a repressive political and media environment that was beginning to change and momentarily lose its power He also provides a detailed commentary on the finished product analysing the important contributions of its several talented creators
