Scott,2021-04-07 Classic Book Reviews and Timely Stories By Charles J Scott We all want to learn from perceptive intelligent and experienced individuals we admire so that we may live better lives ourselves Obviously we need good guidance and a positive influence on our thought processes for this purpose That s why we read great books from knowledgeable sources and listen to our role models Because he likes to reflect on the books he has read and incorporate the favorable impressions they have made on him into his daily activities author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion The reviews have provided him with a diving platform or a jumping off point of departure for making sound decisions and evaluating his actions Consequently the resulting stories represent a celebration of the life and times in which he has lived

They are meant to celebrate humanity in an otherwise uncertain world throughout the ages      **Your New Swiss Bank Book** Robert Kinsman,1979      **The Spy Who Helped the Soviets Win Stalingrad and Kursk** Chris Jones,2025-03-30

Liverpool born Alexander Foote became a Soviet spy in Switzerland transmitting German intelligence before facing betrayal and disillusionment In his short life Liverpool born Alexander Foote went from being a volunteer in the International Brigade in Spain to becoming an agent of Soviet military intelligence in Switzerland Pretending to his friends that he was a dim witted Englishman with private means Foote became the key telegraphist of the so called Red Three network of radio stations communicating top secret German intelligence to the USSR from under the noses of the Swiss authorities The information from Foote s Morse key originated from sources in Germany and came to Foote via the enigmatic figure of Rudolph Rossler known as Agent Lucy Where he obtained the information from is a mystery that has never been solved During the battles of Stalingrad and Kursk Soviet generals came to depend on the information from Foote s transmitter and those of his comrades On his release from a ten month remand in a Swiss gaol on an espionage charge Foote absconded to Paris in 1944 before being invited for debriefing in Moscow When he arrived he became aware that he was under suspicion of being a British spy and it took all his wit to talk his comrades in Soviet intelligence out of sending him to the gulag a fate that waited for many of the others in his Swiss network Disillusioned with life in the USSR Foote approached British intelligence while he was on a Soviet mission in Berlin He made them an offer if they got him back to Britain he would tell them all he knew about Soviet intelligence from the inside This is his story      **From Warsaw with Love** John

Pomfret,2021-10-26 From Warsaw with Love is the epic story of how Polish intelligence officers forged an alliance with the CIA in the twilight of the Cold War told by the award winning author John Pomfret Spanning decades and continents from the battlefields of the Balkans to secret nuclear research labs in Iran and embassy grounds in North Korea this saga begins in 1990 As the United States cobbles together a coalition to undo Saddam Hussein s invasion of Kuwait six US officers are trapped in Iraq with intelligence that could ruin Operation Desert Storm if it is obtained by the brutal Iraqi dictator Desperate the CIA asks Poland a longtime Cold War foe famed for its excellent spies for help Just months after the Polish people voted in their first democratic election since the 1930s the young Solidarity government in Warsaw sends a veteran ex Communist spy who d battled the West for decades to rescue the six Americans John Pomfret s gripping account of the 1990 cliffhanger in Iraq is just the beginning of the tale about intelligence cooperation between Poland and the United States cooperation that one CIA director would later describe as one of the two foremost intelligence relationships that the United States has ever had Pomfret uncovers new details about the CIA s black site program that held suspected terrorists in Poland after 9 11 as well as the role of Polish spies in the hunt for Osama bin Laden In the tradition of the most memorable works on espionage Pomfret s book tells a distressing and disquieting tale of moral ambiguity in which right and wrong black and white are not conveniently distinguishable As the United States teeters on the edge of a new cold war with Russia and China

Pomfret explores how these little known events serve as a reminder of the importance of alliances in a dangerous world
