**René Albrecht-Carrié**

## **Swordbearers Supreme Command In The First World War:**

*The Swordbearers* Correlli Barnett, 2010-10 Von Moltke and quick victory Jellicoe and the Battle of Jutland Petain and the wave of mutinies Ludendorff and the 1918 offensives Four key men four key moments in the Great War Correlli Barnett in his famous study writes with brilliant insight about these flawed men grappling with events that were outside their comprehension In his preface he writes thus The Theme of this book is the decisive effect of individual human character on history The background in sharpest contrast is a sudden and violent transition to mass collectivised life to twentieth century industrial civilization The principal actors are four national commanders in chief two German one Frenchman one Englishman Theirs was the novel task of directing these new and terrifying forces of mass power in battle Each had been born and bred in the last century each belonged to a highly conservative profession Their abilities and defects reflected and illustrated those of their countries For the historian with the priceless gift of hindsight it is moving and fascinating therefore to study these men locked in struggle with events greater than themselves to see their moments of clarity and prophesy of optimistic self delusion of uncertainty of despair Each in turn as commander in chief bore his nation's sword at a period when the course of the war pivoted on his judgement and will four actors in a continental tragedy of death and re birth

**The Swordbearers; Supreme Command in the First World War** Correlli Barnett, 1975 The theme of this book is the decisive effect of individual human character on history The background in sharpest contrast is a sudden and violent transition to mass collectivised life to twentieth century industry civilisation The principal actors are four national commanders in chief two German one Frenchman one Englishman Theirs was the novel task of directing these new and terrifying forces of mass power in battle Each had been born and bred in the last age each belonged to a highly conservative profession Their abilities and defects reflected and illustrated those of their countries

*The Yankee Division in the First World War* Michael E. Shay, 2008-06-20 Historians have been unkind to the 26th Division of the US Army during World War I Despite playing a significant role in all the major engagements of the American Expeditionary Force the Yankee Division as it was commonly known and its beloved commanding officer Maj Gen Clarence Edwards were often at odds with Gen John J Pershing Subsequently the Yankee Division became the AEF's whipping boy a reputation that has largely continued to the present day In *The Yankee Division in the First World War* author Michael E Shay mines a voluminous body of first person accounts to set forth an accurate record of the Yankee Division in France a record that is as he reports better than most Shay sheds new light on the ongoing conflict in leadership and notes that two of the division's regiments received the coveted Croix de Guerre the first ever awarded to an American unit This first rate study should find a welcome place on military history bookshelves both for scholars and students of the Great War and for interested general readers

*A History of the Great War* Eric Dorn Brose, 2010 PART ONE INTO THE ABYSS 1871 1914 1 The Long Descent 2 From Peace to War PART TWO THE ABYSS 1914 1918 3 The Opening Campaigns 1914 4 The Wider War 1914 1915 5 The Stalemate in Europe 1915 6 The

Wider War 1915 1916 7 Tipping Points in Europe 1916 1917 8 War Weariness and the Question of Peace in Europe 1917 9  
War Politics and Diplomacy in the Middle East and Russia 1917 1918 10 The Last Furious Year of the Great War 1917 1918  
PART THREE SLOWLY OUT OF THE ABYSS 1918 1926 11 The Violent Aftermath of the Great War in Europe 1918 1926 12  
The Problematic Legacy of the Great War in the Wider World 1918 1926 13 Epilogue Bereavement Economic Collapse and  
the Climate for War

**Quest for Decisive Victory** Robert Michael Citino,2002 Since the earliest days of warfare military operations have followed a predictable formula after a decisive battle an army must pursue the enemy and destroy its organization in order to achieve a victorious campaign But by the mid 19th century the emergence of massive armies and advanced weaponry and the concomitant decline in the effectiveness of cavalry had diminished the practicality of pursuit producing campaigns that bogged down short of decisive victory Great battles had become curiously indecisive decisive campaigns virtually impossible

*World War I* Spencer C. Tucker,2016-05-16 With its authoritative reference entries multiple introductory and perspective essays primary source documents detailed chronology and bibliography this single volume reference provides all the key information readers need to understand this monumental conflict World War I was an epic conflict that toppled centuries old empires transformed the Middle East and Russia and helped elevate the United States to prominence as a world power In essence understanding the reasons for and outcomes of the First World War provides a cornerstone for knowledge of all modern history In *World War I The Essential Reference Guide* detailed reference entries a comprehensive overview essay plus additional examinations of the causes and consequences of the conflict provide readers with the context needed to understand all aspects of World War I Important primary source documents like the Zimmerman Telegram and Balfour Declaration are included and accompanied by explanations that supply readers with key historical perspective Biographies on major political and military leaders such as Wilhelm II Woodrow Wilson Nicholas II John Pershing and Ferdinand Foch offer insight into the people who played key roles in the conflict Entries on the key confrontations of the war many accompanied by maps showcase the strategies of both sides in their attempts to emerge victorious and the bibliography presents a wealth of options to students looking to conduct further research on World War I

**A Fraternity of Arms** Robert Bowman Bruce,2003 By the beginning of the twentieth century the United States had already become an international power and a recognized force at sea but its army remained little more than a frontier constabulary In fact when America finally entered World War I the U S Army was still only a tenth the size of the smallest of the major European forces While most previous work on America s participation in the Great War has focused on alliance with Great Britain Robert Bruce argues that the impact of the Franco American relationship was of far greater significance He makes a convincing case that the French rather than the British were the main military partner of the United States in its brief but decisive participation in the war and that France deserves much credit for America s emergence as a world military power In this important new look at the First World War Bruce reveals how two countries established a close and respectful relationship

marking the first time since the American Revolution that the United States had waged war as a member of a military coalition While General Pershing's American Expeditionary Forces did much to buoy French morale and military operations France reciprocated by training over 80 percent of all American army divisions sent to Europe providing most of their artillery and tanks and even commanding them in combat As Bruce discloses virtually every military engagement in which the AEF participated was a Franco American operation He provides significant new material on all major battles not only the decisive Second Battle of the Marne but also St Mihiel Cantigny Reims Soissons and other engagements detailing the key contributions of this coalition to the final defeat of Imperial Germany Throughout the book he also demonstrates that there was a mutual bond of affection not only between French and American soldiers but between the French and American people as well with roots planted deep in the democratic ideal By revealing the overlooked importance of this crucial alliance *A Fraternity of Arms* provides new insights not only into World War I but into coalition war making as well Contrary to the popular belief that relations between France and the United States have been tenuous or tendentious at best Bruce reminds us that less than a century ago French and American soldiers fought side by side in a common cause not just as allies and brothers in arms but as true friends

*Air Commanders* John Andreas Olsen,2012 This book combines short military biographies and operational analyses to reveal how the personalities attitudes and life experiences of twelve outstanding US airmen shaped the central air campaigns in American history These case studies illuminate the character of these airmen the challenges they confronted in widely disparate armed conflicts and the solutions that they crafted and implemented Their achievements proved decisive not only in the campaigns they led but also in shaping the US Air Force and the dominant role of airpower in modern warfare

*Gambling on War* Roger L. Ransom,2018-06-28 Discusses the irrational risk taking decisions of overconfident leaders which led to a seminal turning point in world history that shaped the twentieth century

Passendale Nick Lloyd,2017-05-22 Meeslepende geschiedschrijving over de gruwelijkste en meest zinloze veldslag van de twintigste eeuw

The First World War Martin Gilbert,2008 All the ways Mr Gilbert's *The First World War* brings the conflict home to people at the end of the twentieth century render it one of the first books that anyone should read in beginning to try to understand this war and this century John Milton Cooper Jr *The New York Times* Book Review 80 photos

31 maps

*The First World War* Jere Clemens King,1972

The German Way of War Robert Michael Citino,2005 For Frederick the Great the prescription for warfare was simple *kurz und vives* short and lively wars that relied upon swift powerful and decisive military operations Robert Citino takes us on a dramatic march through Prussian and German military history to show how that primal theme played out time and time again Citino focuses on operational warfare to demonstrate continuity in German military campaigns from the time of Elector Frederick Wilhelm and his great sleigh drive against the Swedes to the age of Adolf Hitler and the blitzkrieg to the gates of Moscow Along the way he underscores the role played by the Prussian army in elevating a small vulnerable state to the ranks of the European powers describes how nineteenth

century victories over Austria and France made the German army the most respected in Europe and reviews the lessons learned from the trenches of World War I     *The Meaning of the First World War* René Albrecht-Carrié, 1965 World War I snapped the social and political bonds that held together the prewar world of the nineteenth century Like the Reformation and the French Revolution the war unleashed dynamic forces of change whose repercussions are still shaping the world of our time THE MEANING OF THE FIRST WORLD WAR provides a concise narrative of the war itself and of the era it brought to a close Reviewing the aftermath of the conflict Rene Albercht Carrie argues that the war upset the delicate equilibrium of European power and tore the fabric of European society with such force that no treaty however equitable could by itself have averted the crises that followed With a masterful grasp of the issues underlying the war Albrecht Carrie skillfully unravels the tangle of political alliances and military battles to reveal in what ways World War I Laid the groundwork for our century of tension and transition Publisher     De derde slag bij Ieper, 1917 Koen Koch, 2007 Besproken wordt de derde slag bij Ieper oftewel de slag om Passendale Hierbij komt de politieke strijd binnen de Engelse legerleiding over de te voeren strategie aan de orde Met kaartjes worden de verschuivende frontlijnen aangegeven Ook de bevelvoerende officieren en hun beslissingen gedurende de strijd komen aan bod De schrijver verwerkt persoonlijke getuigenissen van en blijft daardoor dicht bij de belevingswereld van de frontsoldaat Het laatste hoofdstuk beschrijft een tocht die gemaakt kan worden over het voormalige slagveld     The Public Schools Battalion in the Great War Steve Hurst, 2007 Superbly researched written and illustrated this is the tragic story of the formation and later destruction of a unique infantry battalion of The Great War

**Blood and Iron** Otto Friedrich, 1995 Historical fiction     *Books for College Libraries: History* Association of College and Research Libraries, 1975     *Controlling and Ending Conflict* Stephen J. Cimbala, Sidney Waldman, 1992 This provocative and authoritative study covers all the major aspects of conflict termination before and after the Cold War Cimbala and Waldman together with prominent analysts offer different insights into the key issues and military and political strategies to end and control conflict in a radically changing world They define basic principles and consider intrawar deterrence and various ways to control and end all types of war in an age of nuclear proliferation     **The Wars of the United States** , 1968

The Top Books of the Year Swordbearers Supreme Command In The First World War The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Swordbearers Supreme Command In The First World War : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
