

Symbol Of Wilderness

John Peter Lange

Symbol Of Wilderness:

Wallace Stegner's Unsettled Country Mark Fiege,Leisl Carr Childers,Michael J. Lansing,2024-02 This collection shows that Wallace Stegner's work however flawed remains a useful tool for assessing the past present and future of the American West

The Encyclopedia of Jewish Symbols Ellen Frankel,Betsy Patkin Teutsch,1995-11-01 Jewish symbols reflect the interaction of word and image within Jewish culture Jews have always studied interpreted and revered sacred texts they have also adorned the settings and occasions of sacred acts Calligraphy and ornamentation have transformed Hebrew letters into art quotation interpretation legend and wordplay have made ceremonial objects into narrative This book represents just such a collaboration between art and language Ellen Frankel and Betsy Platkin Teutsch writer and artist have brought their extensive knowledge and talents together to create The Encyclopedia of Jewish Symbols the first reference guide of its kind designed for use by educators artists rabbis folklorists feminists Jewish and non Jewish scholars and lay readers

Dominant Symbols in Popular Culture Ray Broadus Browne,Marshall William Fishwick,Kevin O. Browne,1990 Nineteen essays address facets of the subject announced in the title among them folktale symbolism in popular art pornography the wilderness movie theaters political cartoons food habits of Italian immigrants to America car salesman the book as symbol No index Annotation copyrighted by Book News Inc Portland OR Collecting Nature Andrew G. Kirk,2001 Finds in the history of Denver's Conservation Library a microcosm of the growth of the environmental movement as a whole Red Lodge and the Mythic West Bonnie Christensen,2002 Tracing the story of Red Lodge from the 1880s to the present Christensen tells how a mining town managed to endure the vagaries of the West's unpredictable extractive industries economy She connects Red Lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town

BOOK JACKET
Nature's Altars Susan R. Schrepfer,2005 Book Review ... An Encyclopedia of Freemasonry and Its Kindred Sciences, Comprising the Whole Range of Arts, Sciences and Literature as Connected with the Institution Albert Gallatin Mackey,1912

An Encyclopaedia of Freemasonry and Its Kindred Sciences: Comprising the Whole Range of Arts, Sciences and Literature as Connected with the Institution Albert Gallatin Mackey,1889 Hunger for the Wild Michael L. Johnson,2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries War Upon the Land Lisa M. Brady,2012-04-01 In this first book length environmental history of the American Civil War Lisa M Brady argues that ideas about nature and the environment were central to the development and success of Union military strategy From the start of the war both sides had to contend with forces of nature even as they battled one another Northern soldiers encountered unfamiliar landscapes in the South that

suggested to them an uncivilized society's failure to control nature. Under the leadership of Ulysses S. Grant, William Tecumseh Sherman, and Philip Sheridan, the Union army increasingly targeted southern environments as the war dragged on. Whether digging canals, shooting livestock, or dramatically attempting to divert the Mississippi River, the Union aimed to assert mastery over nature by attacking the most potent aspect of southern identity and power: agriculture. Brady focuses on the siege of Vicksburg, the 1864 Shenandoah Valley campaign, marches through Georgia and the Carolinas, and events along the Mississippi River to examine this strategy and its devastating physical and psychological impact. Before the war, many Americans believed in the idea that nature must be conquered and subdued. Brady shows how this perception changed during the war, leading to a wider acceptance of wilderness. Connecting environmental trauma with the onset of American preservation, Brady pays particular attention to how these new ideas of wilderness can be seen in the creation of national battlefield memorial parks as unaltered spaces. Deftly combining environmental and military history with cultural studies, *War upon the Land* elucidates an intriguing, largely unexplored side of the nation's greatest conflict.

Travel literature Dr. V. Karunanithi, Ms. Abisha Jasmine Suganthy S, 2024-05-15

Travel literature that immerses readers in the experiences, landscapes, and cultures of various destinations around the world. It combines personal anecdotes, vivid descriptions, and insightful reflections on the places visited. Through the lens of the traveler, these works often explore themes of adventure, self-discovery, and the complexities of the human connection to the environment. Travel literature can inspire curiosity, broaden perspectives, and offer a window into the diversity of life across the globe.

Selling Yellowstone Mark Daniel Barringer, 2002

For as long as they have existed, the national parks have been the scene of some of the most intensive commercial activity in the American West. *Selling Yellowstone* recounts the story of such activities in our oldest park from the 1870s through the 1960s. It is the first book to examine critically the role of business in the development of America's national parks, demonstrating how profit-driven entrepreneurs shaped the physical landscape of what is generally perceived as unaltered wilderness.

Symbol and Theology in Early Judaism Jacob Neusner, 1991

Analyzes the new mode of talking about God that took shape in synagogue art and rabbinic writing in the fifth and sixth centuries CE and appealed not to propositional but to symbolic modes of discourse. Demonstrates how it combined and recombined various symbols to make normative theological statements. The 1991 edition was published by Augsburg Fortress.
