## **Synge And The Irish Language:**

**Synge and the Irish Language** Declan Kiberd, 1979 Synge was the victim of a cruel paradox those who loved his works knew no Irish and those who loved Irish despised his works This book aims to show that Synge's command of Irish was extensive and that this knowledge proved invaluable in the writing of his major plays The Irish Language (RLE Linguistics E: Indo-European Linguistics) John Edwards, 2014-01-10 In compiling this bibliography the main purpose was to assemble references to published material of a sociolinguistic nature concerning the Irish language The intent was not to cover publications treating language per se but rather to consider those dealing with language in its social context Represented here are articles chapters books and pamphlets bearing upon social historical psychological and educational aspects of Irish including the decline of the language the restoration effort the relationship of language to nationality and religion and studies of important figures in the language movement Yeats, Revival, and the Temporalities of Irish Modernism Gregory Castle, 2024-04-18 Yeats Revival and the Temporalities of Irish Modernism offers a new understanding of a writer whose revivalist commitments are often regarded in terms of nostalgic yearning and dreamy romanticism It counters such conventions by arguing that Yeats's revivalism is an inextricable part of his modernism Gregory Castle provides a new reading of Yeats that is informed by the latest research on the Irish Revival and guided by the phenomenological idea of worldmaking a way of looking at literature as an aesthetic space with its own temporal and spatial norms its own atmosphere generated by language narrative and literary form The dialectical relation between the various worlds created in the work of art generate new ways of accounting for time beyond the limits of historical thinking It is just this worldmaking power that links Yeats's revivalism to his modernism and constructs new grounds for recognizing his life and work The Playboy of the Western World Christopher Collins, 2016-09-13 I'm thinking this night wasn't I a foolish fellow not to kill my father in years gone by Christy Mahon On the first night of J M Synge's The Playboy of the Western World 1907 the audience began protesting in the theatre by the third night the protests had spilled onto the streets of Dublin How did one play provoke this Christopher Collins addresses The Playboy's satirical treatment of illusion and realism in light of Ireland's struggle for independence as well as Synge's struggle for artistic expression By exploring Synge's unpublished diaries drafts and notebooks he seeks to understand how and why the play came to be This volume invites the reader behind the scenes of this inflammatory play and its first performances to understand how and why Synge risked everything in the name of art **The Chinese May Fourth Generation and the Irish Literary Revival: Writers and Fighters** Simone O'Malley-Sutton, 2023-10-06 This book examines how the early twentieth century Irish Renaissance Irish Literary Revival inspired the Chinese Renaissance the May Fourth generation of writers to make agentic choices and translingual exchanges It sheds a new light on May Fourth and on the Irish Renaissance by establishing that the Irish Literary Revival 1900-1922 provided an alternative decolonizing model of resistance for the Chinese Renaissance to that provided by the western

imperial center The book also argues that Chinese May Fourth intellectuals translated Irish Revivalist plays by W B Yeats Lady Gregory Se n O Casey and Synge and that Chinese peasants performed these plays throughout China during the 1920s and 1930s as a form of anti imperial resistance Yet this literary exchange was not simply going one way since Yeats Lady Gregory Synge and O Casey were also influenced by Chinese developments in literature and politics Therefore this was a reciprocal encounter based on the circulation of Anti colonial ideals and mutual transformation John Millington Synge's Work as a Contribution to Irish Folk-lore and to the Psychology of Primitive Tribes Herbert Frenzel,1932 **Notes on Modern Irish Literature** ,1995 **Writing Ireland** David Cairns,Shaun Richards,1988 Writing Ireland is a provocative and wide ranging examination of culture literature and identity in nine teenth and twentieth century Ireland Moving beyond the reductionist reading of the historical moment as a backdrop to cultural production the authors deploy contemporary theories of discourse and the constitution of the colonial subject to illuminate key texts in the cultural struggle between the colonizer and the colonized The book opens with a consideration of the originary moment of the colonial relationship of England and Ireland through re reading of works by Shakespeare and Spenser Cairns and Richards move then to the constitution of the modern discourse of Celticism in the nineteenth century A fundamental re reading of the period of the Literary Revival through the works of Yeats Synge Joyce and O Casey locates them in a social moment illuminated by detailed considerations of poems playwrights and polemicists such as D P Moran Arthur Griffith Patrick Pearse and Thomas MacDonagh Writing Ireland examines the psychic sexual and social costs of the decolonisation struggle in the society and culture of the Irish Free State and its successor Beckett Kavanagh and O Faolain registered the enervation and paralysis consequent upon sustaining a repressive view of Irish identity The book concludes in the contemporary moment as Ireland s post colonial culture enters crisis and writers like Seamus Heaney Brian Friel Tom Murphy and Seamus Deane grapple with the notion of alternative identities Writing Ireland provides students of literature history cultural studies and Irish studies with a lucid analysis of Ireland s colonial and post colonial situation on which an innovative methodology transcends disciplinary divisions **Anglo-Irish Theatre and the Formation of a Nationalist Political Culture Between 1890 and 1930** Georg Grote,2003 **Irish University Review** ,2003 A journal of Irish studies **Language and Civilization** Claudia Blank,1992 Anglo-Irish and Irish Literature International Association for the Study of Anglo-Irish Literature.
