The Flying Us Last Stand:

The Last Stand of the Tin Can Sailors James D. Hornfischer, 2008-11-12 This will be a fight against overwhelming odds from which survival cannot be expected We will do what damage we can With these words Lieutenant Commander Robert W Copeland addressed the crew of the destroyer escort USS Samuel B Roberts on the morning of October 25 1944 off the Philippine Island of Samar On the horizon loomed the mightiest ships of the Japanese navy a massive fleet that represented the last hope of a staggering empire All that stood between it and Douglas MacArthur's vulnerable invasion force were the Roberts and the other small ships of a tiny American flotilla poised to charge into history In the tradition of the 1 New York Times bestseller *Flags of Our Fathers* James D Hornfischer paints an unprecedented portrait of the Battle of Samar a naval engagement unlike any other in U S history and captures with unforgettable intensity the men the strategies and the sacrifices that turned certain defeat into a legendary victory **BONUS** This edition includes an excerpt from James D Hornfischer's *Neptune's Inferno* Praise for *The Last Stand of the Tin Can Sailors* One of the finest WWII naval action narratives in recent years this book follows in the footsteps of *Flags of Our Fathers* Exalting American sailors and pilots as they richly deserve Reads like a very good action novel Publishers Weekly Reads as fresh as tomorrow's headlines Hornfischer's captivating narrative uses previously classified documents to reconstruct the epic battle and eyewitness accounts to bring the officers and sailors to life *Texas Monthly* Hornfischer is a powerful stylist whose explanations are clear as well as memorable A dire survival at sea saga *Denver Post* In *The Last Stand of the Tin Can Sailors* James Hornfischer drops you right into the middle of this raging battle with 5 inch guns blazing torpedoes detonating and Navy fliers dive bombing The overall story of the battle is one of American guts glory and heroic sacrifice *Omaha World Herald* **The Last Battle** Peter Hart, 2018 An account of the final months of the Great War and how the Allies including freshly arrived American soldiers defeated Germany on the Western Front [The Last Battle on English Soil, Preston 1715](#) Jonathan Oates, 2016-03-09 Whilst much has been written about the Jacobites most works have tended to look at the Rebellion of 1745 rather than the earlier attempt to reinstate the Stuart dynasty As such this book provides a welcome focus on events in 1715 when Jacobites in both England and Scotland tried to oust George I and to replace him with James Stuart In particular it provides a detailed narrative and analysis of the campaign in the Lowlands of Scotland and in the north of England that led to the decisive battle at Preston and ended the immediate prospects of the Jacobite cause Drawing upon a wealth of under utilised sources the work builds on existing research into the period to give weight to the community and individual dimensions of the crisis as well as to the military ones Contrary to popular myth the Jacobite army contained both English and Scots and because it surrendered almost intact an analysis of the surviving list of Jacobite prisoners captured in the North West England reveals much information about their origins occupations unit structure and sometimes religion as well as the quality of the soldiers arms and equipment their experience and that of their leaders Through this study of the last

major battle to be fought on English soil a clearer picture emerges of the individuals and groups who sought to mould the direction of the freshly created British state and the dynasty that should rule it From the Flying Squad to Investigating War Crimes Ron Turnbull, 2020-06-30 For over ten years he was first detective on the scene when a murder was committed in south London In the confusion and horror of the crime scene he identified the forensic clues that would later be needed to convict the killer in the calm and measured atmosphere of the Old Bailey calling out the necessary experts from pathologists to ballistics specialists protecting the scene against contamination One slip and a case would crumble one moment of inspiration and the Yard would have its man He was the natural choice when the UN were looking for an experienced detective to create a trail of evidence linking the mass graves of Bosnia to the people who ordered the worst war crimes seen in Europe since the Second World War From the Flying Squad to Investigating War Crimes tells of the rise of forensic evidence against the true story backdrop of a detective who has spent a career at the front line in the war against murder the ultimate crime It traces the development of forensic science and techniques from the days of the fingerprint to the battery of tests now available to homicide investigators It is told in the no nonsense style of a pioneer cop who has seen the worst that human beings can do to each other Archaeology, History, and Custer's Last Battle Richard A. Fox, 1997-09-01 By revealing patterns found in artifacts unearthed and adding Indian accounts Fox shows how Custer's last battle was fought The new findings stand in bold contrast to conventional views about the battle Custer as Fox shows maintained his offensive until late in the fight Then the end came suddenly unexpectedly and without the gallant last stand myth The DVD complements and updates Fox's landmark book Archaeology, History, and Custer's Last Battle The Pictorial Field Book of the Civil War in the United States of America Benson John Lossing, 1880 United States Naval Institute Proceedings, 1877

The British Drama, 1871 **Senate documents**, 1895 **The New American Encyclopaedia**, 1872 **All the Year Round** Charles Dickens, 1873 **Why was It?** Lewis Benjamin, 1888 *Trains Across the Continent, Second Edition* Rudolph Daniels, 2000 *Trains Across the Continent North American Railroad History Second Edition* Rudolph Daniels A wonderfully readable illustrated guide to the history of railroads in America *Trains Across the Continent* is everything you need to know about railroad history both educational and enjoyable reading Dean Bruce President Railroad Education Training Association *Trains Across the Continent* should be in every public school library in the country Quickly and concisely Dr Daniels leads you through the maze of building merging and a myriad of other details necessary to understand modern railroading Steam diesel passenger and freight are all carefully explained on a national scale rather than railroad specific making this book even more of a useful tool for the student Donald D Snoddy Historian Union Pacific Railroad *Trains Across the Continent* is a truly comprehensive account of how railroads helped shape and are continuing to shape the history of North America Jonathan B Hanna Historian Canadian Pacific Railway Nothing but positive comments about it from faculty and students alike The industry bible in this area Phillip B Cypret Sacramento City College Professor Daniels displays both

passion and scholarship in this nicely arranged buffet of subjects both large and minute important and interesting serious and fun to present a delicious overview of railroad history James D Porterfield author of *Dining by Rail* Daniels manages to make brief mention of all major points of North American railroad history from the workings of a steam locomotive to the dawn of the railroad mega merger nearly every conceivable aspect of railroading receives attention This volume is a must for those wishing to broaden or hone their knowledge of the birth and evolution of the railroad industry in North America Rail News Updated maps new appendices a greatly expanded bibliography detailed discussions of the recent attempted mergers of the CN and BNSF of the diesel locomotive and of railroad electrification further round out the usefulness of *Trains Across the Continent* as the complete and concise introduction to North American railroads Rudolph Daniels is Chair of the Behavioral Sciences Department at Western Iowa Tech Community College where he teaches history and Railroad Operations Technology

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr

Popular Aviation Combined with Aeronautics ,1930 **The Annals of the War Written by Leading Participants North and South** Alexander Kelly McClure,1879 **Chambers's Edinburgh journal, conducted by W. Chambers. [Continued as] Chambers's Journal of popular literature, science and arts** Chambers's journal,1879 **American Photography** ,1949 **The American Legion Magazine** American Legion,1965 *The Cornhill Magazine* William Makepeace Thackeray,1923
