## **The Future Of Tibet The Government In Exile Meets The Challenge Of Democratization:**

The Future of Tibet Helen R. Boyd, 2004 This book discusses the emergence of democracy's modernizing force in an exiled community with a political history based on a feudal theocracy Since his exile almost forty years ago the Dalai Lama and his government in exile have steered this fledgling democratic community toward the fulfillment of his dream of converting a theocracy to a democracy The establishment of a tripartite government with separate powers and the development of a framework for a future democratic polity if and when Tibetans regain their land is a testament to the ongoing democratizing revolution

Governing Taiwan and Tibet Baogang He, 2015-07-08 When it comes to talking about democracy in China Chinese nationalists argue that it cannot solve China's problems while Chinese liberals remain unduly silenced But China is facing a national identity crisis compounded by Tibet and Taiwan where significant proportions of both populations do not identify with the Chinese nation state Could democracy realistically address the problems in China's national identity Baogang He opens up a dialogue in which Chinese liberals can offer viable alternatives in defence of key democratic principles and governance He upholds the search for a political space in which democratic governance in China can feasibly be developed

**Tibetan Democracy** Trine Brox, 2016-06-10 How do you govern 130 000 people from exile Tibet and the struggles of diaspora Tibetans are elements of an ongoing and highly debated issue The Dalai Lama's democratisation process during his time in India from 1959-2011 and the subsequent election of Lobsang Sangay as prime minister in exile marked to the Tibetan people the move away from a seemingly feudal societal structure and traditional theocratic governance Central to these Tibetan democracy aspirations is the freedom struggle in which Tibetans dream of an ideal politics which includes both Tibetans residing in Tibet and those in exile with the ultimate goal of returning to a self ruled Tibet However some have questioned whether the fight for democracy has helped or hindered a united and free Tibet To elucidate this complex debate Trine Brox has undertaken extensive fieldwork investigating how democracy is viewed and practised amongst Tibetans in exile In so doing she explores how the Tibetans living in India imagine, organise and negotiate governance that is modern and democratic but uniquely Tibetan This is an important book for those with an interest in Tibet diaspora communities and democracy

**Routeing Democracy in the Himalayas** Vibha Arora, N. Jayaram, 2020-11-29 Historically treated as an amorphous borderland and marginal to the understanding of democratic politics and governance in South Asia Southeast Asia and northern Asia the Himalayan region in the last 50 years has become an active political laboratory for experiments in democratic structures and institutions In turn it has witnessed the evolution of myriad political ideologies movements and administrative strategies to accommodate and pacify heterogeneous ethnic national identities Routeing Democracy in the Himalayas highlights how through an ongoing process of democratisation the Western liberal ideologies of democracy and decentralisation have interacted with varied indigenous politico cultural ideas and institutions of an ethnic nationally diverse population It also reviews how formal democracy regular elections local self governing structures

protection of the rights of minorities and indigenous freedom of expression development of mass media and formation of ethnic homelands all have furthered participatory democracy empowered the traditionally marginalised groups and ensured sustainable development to varying degrees The book provides ethnographic and historical vistas of democracy under formation at work being contested and even being undermined showing how democratisation thematically stitches the independent Himalayan nations and the Indian Himalayan states into a distinctive regional political mosaic Combining new perspectives from comparative sociology political anthropology and development studies the volume will be useful for policy makers as well as specialists researchers and students in sociology anthropology area studies development studies and Tibet and Himalayan studies
