## **The Fugitives:**

*The Fugitives* Christopher Sorrentino, 2016 In their growing involvement with one another each becomes a pawn in the other's game As we weave among these characters learning about their lives and motivations and uncovering the conflicts and contradictions between their stories we realize that the storyteller is not the only one with secrets to conceal that all three are fugitives of one kind or another All the Sorrentino touches that have thrilled admirers are here sparkling dialogue satirical wit attention to the details of everyday life dizzyingly inventive prose but it is the deeply imagined interior lives of its all too human main characters that set this novel apart Moving funny tense and mysterious *The Fugitives* is a love story a ghost story and a crime thriller
