Envy Of A Stranger:

The Envy of the Stranger Caroline Graham, 2010-04-01 Someone's watching Someone's waiting The perfect life will always come at a price From the author of the Midsomer Murders novels comes a spine chilling domestic thriller about jealousy and revenge Perfect for fans of Ann Cleeves Sophie Hannah and A J Finn Roz Gilmour is a happy woman with two children a loving husband a successful career as a local radio presenter and a comfortable home in North London Sometimes she can't believe just how fortunate she is But a woman who has everything has everything to lose and Roz's luck is about to change Not everybody is as content as Roz Gilmour There are people who dislike her if only because of the apparent ease and success with which she lives her life And one of them is insane A fame hungry stranger whom Roz has unwittingly snubbed A man who is dangerously delusional and spiralling out of control A man who will stop at nothing to get his revenge Whatever it takes Praise for Caroline Graham's novels Simply the best detective writer since Agatha Christie The Sunday Times One to savour Val McDermid Swift tense and highly alarming Times Literary Supplement Lots of excellent character sketches and the dialogue is lively and convincing Independent

Redeeming Heartache Dr. Dan B. Allender, Cathy Loerzel, 2021-09-14 Find freedom and healing from painful memories and relational struggles and learn how your past has uniquely prepared you to experience more joy Tragedy and pain inevitably touch our lives in some way We long to feel whole but more often than not the way we've learned to deal with our wounds pushes us away from the very restoration we need most Renowned psychologist Dr Dan Allender and counselor and teacher Cathy Loerzel present a life changing process of true connection and healing with ourselves God and others With a clear biblically trustworthy method Allender and Loerzel walk you through a journey of profound inner transformation from the shame and hurt of old emotional wounds to true freedom and healing Drawn from modern research and their pioneering work at The Allender Center they will help you identify your core trauma in one of the three outcast archetypes the widow orphan or stranger and chart your path of growth into the God given roles of priest prophet or leader This book will help you learn What to do about feeling out of place and directionless How your coping mechanisms create a false sense of health How to embrace your divine calling and find lasting reconciliation How your heart wounds are your unique invitation to true strength and purpose Your past pain does not dictate your life Answer the call to healing and discover your life's beautiful story and a future of hope and freedom
