Girl In A Red Tunic:

Girl in a Red Tunic Alys Clare, 2009 *Girl in a Red Tunic* Alys Clare, 2006 Abbess Helewise is struggling to keep the Abbey going through a brutal winter and in the midst of this hardship her son returns after 20 years in desperate need of help. Then a man is found strangled and the next day her son flees. Helewise and Josse d'Acquin must now investigate the past to a time before Helewise took the veil. Were her handsome husband and her enigmatic father-in-law all that they seemed? And can she prevent another terrible murder or will the sins of the fathers be laid upon her innocent son? **The Drowning Girl**

Caitlin R. Kiernan, 2012-03-06 A complex haunting novel that explores a schizophrenic young artist's struggles with her perception of reality including an intriguing ghostly woman who appears to her in the most mysterious ways. India Morgan Phelps Imp to her friends is trying to write her memoir but she struggles with the unreliability of her own mind. Suffering from schizophrenia as well as comorbid anxiety and OCD Imp has a difficult time separating fantasy from reality. But for her it's most important to tell her truth. And for Imp that truth comes through a stream of consciousness tale of her love story with her transgender girlfriend as well as Imp's obsession with a mysterious woman whom she finds naked and mute at the side of the road. Imp must push past her mental illness or work with it to piece together her memories and tell her story. A rich exploration of mental illness, gender identity, and creative process. *The Drowning Girl* delivers an eerie and powerful story of a woman's efforts to discover the truth that's locked away in her own head. Caitlin R. Kiernan moves firmly into the new vanguard of our best and most artful authors of the gothic and fantastic, those capable of writing fiction of deep moral and artistic seriousness. Peter Straub **Women Directors**

Barbara Quart, 1989-12-12 Quart here extends her previous writings on what she terms the best narrative cinema: women-centered cinema and feminist filmmaking. Quart addresses American, Western European, and Eastern European directors, closing with Third World examples. Arguing that independent filmmaking best serves the quest for a woman's voice and vision, Quart chronicles the survival of women directors. She traces a heritage of women directors inside the Hollywood system and beyond. This excellent study is recommended for undergraduates in film and women's studies. Choice. The current level of activity among women directors is unequalled in the history of feature films. This unprecedented study examines major contemporary women directors of narrative feature film: their themes, their art, and the circumstances under which they work. Quart contends that women are creating a film language and film sensibility that are unique, strong, and until now unexplored. Her discussion centers on the ties between women directors rather than on a survey of women who direct films. Beginning with the antecedents to today's burgeoning number of women directors, the study progresses to American women directors. Subsequent chapters focus on women directors in Western Europe and Eastern Europe, with some attention as well to Asia and Latin America. *Midnight Webs* George Manville Fenn, 1872

Begumbagh George Manville Fenn, 1879 **Dress and Personal Appearance in Late Antiquity** Faith Pennick Morgan, 2018-01-22 This book examines the dress and personal appearance of members of the middle and lower classes in

the eastern Mediterranean region during the 4th to 8th centuries Written art historical and archaeological evidence is assessed with a view to understanding the way that cloth and clothing was made embellished cared for and recycled during this period Beginning with an overview of current research on Roman dress the book looks in detail at the use of apotropaic and amuletic symbols and devices on clothing before examining sewing and making methods the textile industry and the second hand clothing trade The final chapter includes detailed information on the making and modelling of exact replicas based on extant garments

Roman Women's Dress Jan Radicke,2022-11-07 The book concerns female dress in Roman life and literature The main focus is on female Roman dress as it may have been worn in daily life in Rome and in a social environment influenced by Roman culture in the time from the beginnings of the Republic until the end of the 2nd century AD There is however a certain surplus as to its contents because many Latin texts also talk about mythical Greek dress and the largely fictional early Roman dress Altogether large parts of the history of Roman dress are only known to us through what scholars thought about it in Classical and Late Antiquity For this reason this book is not only about real female Roman dress but also about the ancient pseudo discourse on early female Roman dress which has been taken too seriously by modern scholarship This pseudo discourse has been mixed together with real facts to produce an ahistorical fabric It therefore appeared necessary to break with this old tradition and to take a completely new path The detailed analysis of many texts on female Roman dress is the basis of this new handbook meant for philologists historians and archaeologists alike

Maoist Model Theatre Rosemary A. Roberts,2010 Here is a convincing reflection that changes our understanding of gender in Maoist culture esp for what critics from the 1990s onwards have termed its erasure of gender and sexuality In particular the strong heroines of the yangbanxi or model works which dominated the Cultural Revolution period have been seen as genderless revolutionaries whose images were damaging to women Drawing on contemporary theories ranging from literary and cultural studies to sociology this book challenges that established view through detailed semiotic analysis of theatrical systems of the yangbanxi including costume props kinesics and various audio and linguistic systems

Acknowledging the complex interplay of traditional modern Chinese and foreign gender ideologies as manifest in the model works it fundamentally changes our insights into gender in Maoist culture
