

## **THE STATUE OF LIBERTY**

Read the following passage

The Statue of Liberty is one of the most famous symbols of the United States. It stands on Liberty Island in New York Harbor. The statue was a gift from France to America in 1886. It was given to celebrate freedom and friendship between the two countries. The statue is very tall. It is made of copper and has turned green over time. Lady Liberty holds a torch high in her right hand. In her left hand, she carries a tablet with the date July 4, 1776, which is America's Independence Day. The crown on her head has seven spikes. These spikes represent freedom spreading to the seven continents and seas. People from all over the world come to see the Statue of Liberty. It reminds everyone of hope, freedom, and a better future.
