## **The Christian Priesthood:**

**The Christian Priesthood** Nicholas Lash, Joseph Rhymer, 1970    [Jesus Our Priest](#) Gerald O'Collins, Michael Keenan Jones, 2010-03-18 In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ's priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ's priesthood and what sharing in that priesthood through baptism and ordination involves    *The Christian Priesthood*

**The Christian Priesthood. A Discourse [on Heb. XIII. 15, 16].** Patrick Morrison, 1867 Heb 13 15 16 1 24    **An Inquiry respecting the character of the Christian Priesthood and of the Christian Ministry** Hussey Burgh Macartney, 1845    [A Vindication of the Christian Priesthood: wherein the sacred order and office of bishops, and their spiritual power and authority over the priests and deacons, and the whole laity, is asserted and proved to be of divine institution ... By a Presbyter of the Church of England](#) CHRISTIAN PRIESTHOOD., 1718    **The Christian Priest Today** Arthur Michael Ramsey, 2012-01-20 Of all the late Michael Ramsey's many books The Christian Priest Today is perhaps the best loved and most enduring In this new edition the central part remains unaltered and is composed of charges to ordination candidates with an emphasis on the intellectual and devotional life of the minister in an increasingly self sufficient world The first chapter has been rewritten and two new chapters added to incorporate recent alterations in the life of the Church the ministry of the laity the theology of priesthood and the roles of bishop and presbyter in the context of the practical meaning of divine vocation    **The Christian Priesthood. A Sermon ... Third Edition** Matthias H. BEAUMONT, 1867

**Understanding the Religious Priesthood** Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life Understanding the Religious Priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that

religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church s life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar s imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile **The Christian Priesthood, Altar, and Sacrifice.
