Oakes,David Moss,2004-08-05 Publisher's description Hans Urs von Balthasar 1905 1988 is one of the most prolific creative and wide ranging theologians of the twentieth century who is just now coming to prominence But because of his own daring speculations about the meaning of Christ's descent into hell after the crucifixion about the uniqueness of Christ as savior of a pluralistic world and because he draws so many of his resources for his theology from literature drama and philosophy Balthasar has never been an easily categorized theologian He is neither liberal nor conservative neither Thomist nor modernist and he seems to elude all attempts to capture the exact way he creatively reinterprets the tradition of Christian thought For that reason this Companion is singularly welcome bringing together a wide range of theologians both to outline and to assess the work of someone whom history will surely rank someday with Origen John Calvin and Karl Barth **Luther** Martin Luther,2003 Martin Luther is often thought of as a world shaking figure who defied papacy and empire to introduce a reformation in the teaching worship organization and life of the Church Sometimes it is forgotten that he was also a pastor and shepherd of souls Collected in this volume are Luther's letters of spiritual counsel which he offered to his contemporaries in the midst of sickness death persecution imprisonment famine and political instability For Luther spiritual counsel was about establishing nurturing and strengthening faith Freshly translated from the original German and Latin the letters shed light on the fascinating relationship between his pastoral counsel and his theology Theodore G Tappert taught Church History at Lutheran Theological Seminary in Philadelphia Pennsylvania He also translated Pia Desideria by Philip Jacob Spener and The Book of Concord The Confessions of the Evangelical Lutheran Church The Footsteps of Christ A.
