Arnold, Tamer Cavusgil, Jay D. Lindquist, Jay Nathan, Stan Reid, 2015-05-13 This volume includes the full proceedings from the 1982 Academy of Marketing Science AMS Annual Conference held in Las Vegas Nevada It provides a variety of quality research in the fields of marketing theory and practice in areas such as consumer behaviour marketing management marketing education industrial marketing and international marketing among others Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field Volumes deliver cutting edge research and insights complimenting the Academy s flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science      Empirical Studies in Industrial Organization David B. Audretsch, J.J. Siegfried, 2012-12-06 Empirical Studies in Industrial Organization brings together leading scholars who present state of the art research in the spirit of the structure conduct performance paradigm embodied in the work of Leonard W Weiss The individual chapters are generally empirically or public policy oriented A number of them introduce new sources of data that combined with the application of appropriate econometric techniques enable new breakthroughs and insights on issues hotly debated in the industrial organization literature For example five of the chapters are devoted towards uncovering the link between market concentration and pricing behavior While theoretical models have produced ambiguous predictions concerning the relationship between concentration and price these chapters which span a number of different markets and situations provide unequivocal evidence that a high level of market concentration tends to result in a higher level of prices Three of the chapters explore the impact of market structure on production efficiency and three other chapters focus on the role of industrial organization on public policy Contributors include David B Audretsch Richard E Caves Mark J Roberts F M Scherer John J Siegfried and Hideki Yamawaki      Handbook of Rural Studies Paul Cloke, Terry Marsden, Patrick Mooney, 2006-01-26 This is a unique interpretation of rural issues that will become essential reference for students scholars politicians developers and rural activists Imre Kovach President European Society for Rural Sociology Research director Institute for Political Sciences Budapest      *Monthly Labor Review* , 2013-04 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews      Design Tools and Methods in Industrial Engineering II Caterina Rizzi, Francesca Campana, Michele

Bici, Francesco Gherardini, Tommaso Ingrassia, Paolo Cicconi, 2021-12-01 This book gathers original papers reporting on innovative methods and tools in design modelling simulation and optimization and their applications in engineering design manufacturing and other relevant industrial sectors Topics span from advances in geometric modelling applications of virtual reality innovative strategies for product development and additive manufacturing human factors and user centered design engineering design education and applications of engineering design methods in medical rehabilitation and cultural heritage Chapters are based on contributions to the Second International Conference on Design Tools and Methods in Industrial Engineering ADM 2021 held on September 9 10 2021 in Rome Italy and organized by the Italian Association of Design Methods and Tools for Industrial Engineering and Dipartimento di Ingegneria Meccanica e Aerospaziale of Sapienza Universit di Roma Italy All in all this book provides academics and professionals with a timely overview and extensive information on trends and technologies in industrial design and manufacturing     Consumer Goods Subscriptions Severin Bischof, Thomas Rudolph, 2021-11-22 Digitalization has changed our economy and with the imminent automation of consumption is causing further major upheavals Consumers are increasingly choosing subscriptions or season tickets to reduce the effort required to perform everyday activities such as buying clothes preparing meals listening to music or city driving This book focuses on subscriptions to consumer goods that consumers used to purchase in stationary retail stores Consumer Goods Subscriptions describes the types of subscriptions that play a role in today s world and identifies the industries in which subscriptions will become particularly popular in the future The authors define and differentiate four subscription types in terms of surprise and personalization The book provides a step by step concept for successfully implementing subscriptions and shows how to optimize subscription revenues and profits It will help retail managers to seize the opportunities of this new revenue model and respond to changing customer behavior with appropriate subscription services     Quantitative Models for Value-Based Supply Chain Management Marcus Brandenburg, 2012-10-25 Supply chain management SCM strives for creating competitive advantage and value for customers by integrating business processes from end users through original suppliers However the question of how SCM influences the value of a firm is not fully answered Various conceptual frameworks that explain the coherence of SCM and company value comprehended as value based SCM are well accepted in scientific research but quantitative approaches to value based SCM are found rather seldom The book contributes to this research gap by proposing quantitative models that allow for assessing influences of SCM on the value of a firm Opposed to existing models that limit the observation to chosen facets of SCM or selected value drivers this holistic approach is adequate to reflect configurational and operational aspects of SCM cover all phases of the product life cycle financially compare value impacts of profitability related and asset related value drivers and assess influences of dynamics and uncertainties on company value     Agricultural Sector Issues in the European Periphery Anastasios Karasavoglou, Persefoni Polychronidou, 2019-01-10 Over the course of the past two decades peripheral European economies

in the Balkans and in Eastern Europe have experienced significant structural changes and have adapted to the global economic environment Agriculture and the processing using and trading of agricultural products play an important role in their economies This volume covers several issues facing the contemporary agricultural sector in these countries such as the framework of the Common Agricultural Policy of the European Union the identification of an opinion leader portrait in agriculture the characteristics of using Information and Communication Technologies as tools in the partnerships and internal processes of enterprises throughout the whole agro food supply chain the increased need of small scale artisanal food businesses to seek new markets abroad the perceptions of Greek olive oil importers in the UK the barriers that Greek yogurt entrepreneurs face during their export activities the reasons for the differences in economic performance and the role of tangible and less tangible factors influencing development outcomes It will be of interest to researchers studying economic development agricultural economists businesses active in the primary sector and students of applied economic analysis
