Hemingway never wished to be widely known as a poet He concentrated on writing short stories and novels for which he won the Nobel Prize in 1956 But his poetry deserves close attention if only because it is so revealing Through verse he expressed anger and disgust at Dorothy Parker and Edmund Wilson among others He parodied the poems and sensibilities of Rudyard Kipling Joyce Kilmer Robert Graves Robert Louis Stevenson and Gertrude Stein He recast parts of poems by the likes of Ezra Pound and T S Eliot giving them his own twist And he invested these poems with the preoccupations of his novels sex and desire battle and aftermath cats gin and bullfights Nowhere is his delight in drubbing snobs and overrefined writers more apparent In this revised edition of the Complete Poems the editor Nicholas Gerogiannis offers here an afterword assessing the influence of the collection first published in 1979 and an updated bibliography Readers will be particularly interested in the addition of Critical Intelligence a poem written soon after Hemingway s divorce from his first wife in 1927 Also available as a Bison Book Hemingway s Quarrel with Androgyny by Mark Spilka      *The Collected Poems of Ernest Hemingway ,1960*

Nobel Writers on Writing Ottar G. Draugsvold,2000 When in 1901 Alfred Nobel bequeathed to the world the funds to support the Nobel Prize one of his few directives for the category of literature was that the artists selected be of idealistic tendency Since its inception the prize has given a very public voice to some of the world s greatest writers and their responses to the honor their acceptance speeches have themselves often been epochal within each author s body of literature From the famed call to arms by William Faulkner to the multicultural song of Derek Walcott from 1903 s Bj rnstjerne Bj rnson to 1999 s G nter Grass this collection traces the ideals of the artists and the selection committee itself throughout the entirety of the 20th century Interestingly writes Draugsvold none of the writers discuss the more technical aspects of their craft Equally striking is the strength of the common thread of idealism found in these addresses a firm belief in humankind and the power of art in its role in the service of truth and the service of liberty as Albert Camus said in 1957 I decline to accept the end of man wrote the Old Man William Faulkner The speeches presented here were chosen not by subjective but rather by substantive criteria with biographical presentations and brief statements of gratitude omitted Included are an introduction to each of the 28 writers chosen an excerpted copy of the speech or lecture and a bibliography of works in English The work concludes with a complete list of prize winners in literature and a bibliography of sources cited in the writer s introductions      **The Collected Poems of E.Hemingway** Ernest Hemingway,1960      *Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island* Brown University Library,1972      **Poems for America** Carmela Ciuraru,2007-11-01 An inspiring anthology that celebrates our nation with
