The Church On Its Knees Dynamic Prayer In The Local Church:

The Church on Its Knees Book Jeremy Jennings, 2005 Repackaging Christianity Andrew Atherstone, 2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha s DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB s early years the first full account of Nicky Gumbel s conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age **The Church on Its Knees** Jeremy Jennings, 1998-01 The story of how prayer developed at Holy Trinity Brompton a dynamic church in central London and home of the Alpha course Written by Jeremy Jennings this book is a practical approach to dynamic prayer in the local church See related Prayer Ministry Training video and manual From Vision to Action Tricia Neill, 2006-10 Recommended by church leaders worldwide this encouraging book by Tricia Neil is a practical how to for turning vision into reality Drawing on more than 12 years experience as Executive Director at Holy Trinity Brompton Tricia offers valuable insights for churches of all sizes When Tricia Neill came on staff at HTB there were about 200 Alpha courses in the world Now there are over 32 000 Humanly speaking I don't think this would have been possible without Tricia's professionalism expertise and flair From Vision to Action tells the story and I suspect there is something here for churches of any size or situation NICKY GUMBEL Vicar of HTB London *The Church on Its Knees* Joseph EVANS (of Carmarthen.), 1875 Power of a Mother's Prayer, The Phillippa M Turner, 2018-07-05 Experience the wonder of remarkable answers to prayer given because a mother dared to pray With her world turned upside down through a crisis in her daughter s life Phillippa M Turner turned to God and the Scriptures and discovered how intercessory prayer changes lives and restores relationships Join her on her journey that took her from disappointment to delight anger to acceptance and frustration to fulfillment Witness how the Holy Spirit immersed her in the presence of God to radiate His mercy and grace to her daughter and others transforming lives and showing them that God is eager for His children to bring all their needs to Him in prayer **Active Resources for**
