*Wake up for Ascension to a New Earth - or Leave* Robert E. Pettit, 2010-09-22 There Is a Place You Can Go That place is a New Earth free from sickness crime and war The Earth is shifting to a higher vibration from third density to fourth and fifth density For you to survive on the New Earth you must also change your frequency to match that of the New Earth Unless you make that change your body frequency will be incompatible with these new frequencies and you will have to leave You have a choice prepare to ascend or transfer to another third density planet Ascension is available for those who choose to move out of duality consciousness into Unity Consciousness Dr Pettit explains some of the requirements and preparations needed to ascend from the Old Earth      **A Walk Through Bible Prophecy** John S. Prophecy is a detailed look at the End Times You will learn what the Bible says about The Antichrist the world governments and how they apply to the end of history      *A Better Understanding (Vol. 2)* G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in anothers hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others      **The Scofield Study Bible** , 2006 The Scofield r Study Bible III

**Metaphor** David Tacey,2015-06-01 Biblical stories are metaphorical They may have been accepted as factual hundreds of years ago but today they cannot be taken literally Some students in religious schools even recoil from the fairy tales of religion believing them to be mockeries of their intelligence David Tacey argues that biblical language should not be read as history and it was never intended as literal description At best it is metaphorical but he does not deny these stories have spiritual meaning Religion as Metaphor argues that despite what tradition tells us if we believe religious language we miss religion's spiritual meaning Tacey argues that religious language was not designed to be historical reporting but rather to resonate in the soul and direct us toward transcendent realities Its impact was intended to be closer to poetry than theology The book uses specific examples to make its case Jesus the Virgin Birth the Kingdom of God the Apocalypse Satan and the Resurrection Tacey shows that with the aid of contemporary thought and depth psychology we can re read religious stories as metaphors of the spirit and the interior life Moving beyond literal thinking will save religion from itself American
