The Circle of Sodom Pat Mullan,1998-02-01 **The Historical Geography of the Holy Land** George Adam Smith,1898
Sodom's Threshold Isaac B. Rosler PhD,2017-07-03 In *Sodom's Threshold* The Desire for the Unthinkable author Dr Isaac B Rosler deconstructs the narrative of Sodom and highlights how religion borrows its fervor and passion from a nonreligious impetus that is not only other than religion but also other than God He invites us to trespass to think about what has already trespassed our senses and to make sense of an overabundant excess that remains unsacrificable even through ruins ashes and forgetfulness *Sodom's Threshold* explores concepts of alterity and otherness and it calls us to think about a space of passion that keeps returning in spite of interruptions in spite of religious family or state mandates that command us not to touch an alterity that has already arrived and is in excess of every touch The Sodomites forbidden passion is an excess that impassions it is a surplus that will be usurped and neutralized ad infinitum by the multiple religions that both rise against its mystery and yet are also founded by it Though Sodom was erased its alterity and its surplus are indestructible *The visible hand of God; or The miracles, signs, and wonders which have occurred in the past dealings of God with the nation of Israel* Robert Roberts,1884 Lessons from the Old Testament.
