

"The Coaching Parent fills a significant gap in coaching literature. I was especially gratified to discover how much importance and space is given to the building of self-confidence in all its forms. This is the foundation stone for life and needs to be set early. Who better to do it than parents."

Sir John Whitmore, best selling author of "Coaching for Performance"

The Coaching Parent Help Your Children Realise Their Potential:

The Coaching Parent David Miskimin,2005-12-06 Written for parents stepparents guardians caregivers and grandparents this book presents proven techniques for relating to and helping children dramatically improve their life chances *What Children Need to Be Happy, Confident and Successful* Jeni Hooper,2012-03-15 A step by step guide to helping children to achieve their personal potential and to be happy confident and successful Drawing on ideas from positive psychology and child development theory it explores the key areas of psychological wellbeing and provides practical activities to help children aged 3-11 to flourish *Fulfilling Your Child's Potential* Sherry Tian,2009 **Raising**

Passionate Geniuses: A Comprehensive Guide for Parents and Mentors Saudamini,2025-05-31 This book is designed to empower parents of adolescents and teenagers in guiding their children toward the right career path Through real life stories and practical examples it offers clarity on how conscious parenting shapes a child's future With over 20 years of HR experience I've seen that individuals who align their careers with their passions lead more joyful, motivated and fulfilling lives both personally and professionally Sadly many end up in careers they neither enjoy nor thrive in, resulting in stress, poor health and dissatisfaction This book encourages parents to be active, aware and compassionate mentors By understanding their child's unique potential and interests they can help them choose a career that brings both purpose and happiness Written in simple language this book aims to inspire clarity, action and meaningful engagement in shaping brighter futures

Responsibility, Law and the Family Jo Bridgeman,Craig Lind,2016-04-08 Focusing on moral, social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility, constructions of children's responsibilities, shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology, socio-legal studies and law to discuss responsibilities prior to birth, responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent, intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field

The Life Coaching Handbook Curly Martin,2001-07-30 This complete guide to life coaching reveals what life coaching IS how to coach yourself and others effectively and how to create and sustain a successful coaching practice Leading you through a comprehensive programme of Advanced Life Coaching Skill The Life Coaching Handbook is the essential guide for life coaches and a key sourcebook for NLP practitioners, human resources managers, training professionals, counsellors and the curious Curly Martin is a professional life coach, author, trainer and internationally qualified NLP Master Practitioner Coaching for more than twenty years her clients include celebrities, CEOs, directors and doctors **ADHD** Robert Duffy,2020-07-27 Does your child have frequent temper tantrums Are they always fidgeting, running around

screaming or falling over Perhaps you teach a child like that If so the chances are they're just being boisterous But for five to ten per cent of children it isn't that simple these are the symptoms of Attention Deficit Hyperactivity Disorder ADHD So how can you tell the difference and what can you do about it This book guides parents and teachers step by step through the action they need to take giving the reader the answers to all the essential questions Knowledge is the key Finding out as much as you can is crucial This book is their starting point

Getting Started in Track and Field Athletics Gary Barber,2006-12 How can I set up a track and field program for young children Getting Started in Track and Field Athletics introduces the history rules techniques and competition strategies of each event Ways of making this event fun for even the most unathletic child are suggested When should my child start practising Getting Started in Track and Field Athletics considers this question in depth and offers guidance to parents teachers and coaches Do they use real bullets in the starting gun How can I run in the Olympics Will I ever be able to run that fast These questions and many others are common themes of curiosity in young athletes Getting Started in Track and Field Athletics offers answers and suggests practical ways for these athletes to enjoy all this sport has to offer

Strength Switch, The Lea Waters,2017-05-29 This game changing book reveals the extraordinary results of focusing on our children's strengths rather than always trying to correct their weaknesses By showing us how to throw the strength switch Dr Lea Waters demonstrates how we can help our children build resilience optimism and achievement As a strength based scientist for more than 20 years Waters has seen how this approach enhances self esteem and energy in both children and teenagers and how parents find it an exciting and rewarding way to raise them With many suggestions for specific techniques to interact with your children Waters demonstrates how to discover their strengths and talents use positive emotions as a resource build strong brains and even how to deal with problem behaviour and talk about difficult situations and emotions

Parenting for High Potential ,2006 Through the Eyes of Parents, Children, and a Coach Steven Aicinena,2002 Writing for coaches and parents involved in youth sport Aicinena kinesiology U of Texas at Permian Basin examines through a sociological lens the roots of conflicts that commonly occur in an athletic arena He argues that different individuals view athletics through different sports participation models His goal is to describe the models and explain how they are conditioned by socialization Recognition of the models should serve to minimize conflict Aicinena has been a researcher parent and coach for 14 years Annotation copyrighted by Book News Inc Portland OR

Your Brain Is a Muscle Too Andre Hayes,Vince Fudzie,2013-10-22 Written by two former college athletes Your Brain Is a Muscle Too is an essential guide to success in the classroom and on the play field for any student athlete Taking readers through all the steps toward success for student athletes from obtaining athletic scholarships to finding the right sports agent Your Brain Is a Muscle Too should be mandatory reading for every student athlete Insightful tips range from how to adapt to the intensity of the college environment to how to most effectively study for exams and how to avoid the pressures of drugs and alcohol While this book is invaluable for all students it is the first book that addresses the

specific concerns of African Americans in a college setting Your Brain Is a Muscle Too offers guidance and heightens awareness in areas such as academics interpersonal relations money matters time management and the social transition from high school to college It includes colorful anecdotes and candid advice including contributions from Magic Johnson Jimmy Jackson and Kenny Smith *Career Coaching Your Kids* David H. Montross, Theresa E. Kane, Robert Jay Ginn, 1997 Shows parents how to help their children make career decisions **Children, the Magazine for Parents**, 1927 *Your Kids & Sports* Mike Koehler, 2004 While sports can influence children in positive ways and provide years of enjoyable experiences they can also be the source of frustration disappointment and injury This book helps parents negotiate the potential pitfalls of youth sports while taking advantage of everything positive sports has to offer Packed with stories anecdotes quotes and sound practical advice Your Kids and Sports has everything parents need to make their kids sports experiences both fun and meaningful *The Happy Sleeper* Heather Turgeon, Julie Wright, 2015-01-05 A research based guide to helping children do what comes naturally sleep through the night Many parents feel pressured to train babies and young children to sleep Sometimes hours are spent rocking singing and coaxing But kids don't need to be trained they're built to sleep Over time all that cajoling can have the opposite effect to what is desired Problems can arise when parents with the best of intentions overhelp or helicopter parent at night overshadowing their baby's biological ability to sleep well In The Happy Sleeper child sleep experts Heather Turgeon and Julie Wright show parents how to avoid and undo cumbersome sleep habits They provide guidance on how to be sensitive and nurturing but also structured so that your baby or young child can develop the skills they need in order to fall asleep independently sleep through the night take healthy naps acquire natural optimal sleep patterns for day and night Using these methods parents can guide their children in learning how to soothe themselves to sleep putting kids and the whole family on track to a full night's sleep PRAISE FOR HEATHER TURGEON AND JULIE WRIGHT Turgeon and Wright's compassionate but firm system reminds parents that even the smallest infants are already learners and to be more cognizant of what they want to teach Solid information on children's brain development and physiology supports a clear and systematic attunement philosophy that strikes a happy balance between cry it out and overhelping Publishers Weekly A must have purchase if you can't remember the last time you had an uninterrupted night's sleep Baby London **Education World**, 2006 **Child Rearing in Today's Christian Family** Victor A.
