Robert E. Lauder

The Christian Mystery:

The Christian Mystery Rudolf Steiner,1998 In this major collection Rudolf Steiner affirms the reality of esoteric Christianity and unveils many of its secret teachings His lectures are on the significance of the Mystery of Golgotha and of the Blood that flowed on the Cross the relationship of Christ and Lucifer or Love and Knowledge the various paths of initiation including the Christian Gnostic and Rosicrucian Paths and Steiner s early interpretations of St John s gospel and the sermon on the mount All of Steiner s lectures on the Lord s Prayer are also included as well as the version of the prayer that Steiner himself prayed throughout his life This is an excellent book for all those who want to deepen their understanding of the Western stream of Christian esotericism and Rudolf Steiner s approach to Christianity as a spiritual practice

The Christian Mystery Louis Bouyer,2004-07-10 Mysticism has a place in all the major world religions This book begins with the assertion that Christian Mysticism in its most essential state is the mystery of Christ s union with God Certain major theologians including Albert Ritschl and Karl Barth have stood in opposition to the concept of mysticism and have even suggested that it is opposite to the heart of the Gospel and indeed the whole Bible Yet Bouyer here makes a strong argument for understanding Mysticism as central to the Christian faith This analysis of mysticism is contrasted with its place in pagan religions and its role throughout Christian history In so doing Bouyer reveals the significance of mysticism for understanding the meaning of life
