The Christian Mystic:

Becoming God Elizabeth Clare Prophet,2020-09-29 In this heartfelt and inspiring work renowned author and spiritual teacher Elizabeth Clare Prophet brings alive the insights visions and revelations of the Christian mystics and shows that they are as relevant today as they have ever been. Mysticism she explains is not merely a belief or philosophy but an experience that transforms the soul. As she unfolds the experiences and threefold path of the Christian mystics you will learn about the indwelling presence the Christ within and your divine identity as well as what the mystics had to say about the dark night soul testing and trials and the living flame of love. You will explore the mystics practices of contemplation interior and spoken prayer and visualization. Elizabeth Clare Prophet also shares her own profound perspectives on the mystics personal relationship with God and describes how you can walk the mystic path today with the saints and mystics as your mentors and guides. *Becoming God* is one of a series of books by Elizabeth Clare Prophet on the mystical paths of the world's religions.

Soundings in the Christian Mystical Tradition Harvey D. Egan,2010-10-01 Called in a special way to listen to God s whispers the mystics amplify not only what it means to be baptized into the life death and resurrection of Jesus Christ and to having the Trinity living in them but also what is deepest in the human spirit. Mystics experience themselves as an infinite question to which only God is the answer as an immense longing that only Love can quench as a nothing in the face of the No Thing. They are God s fools troubadours the great artists and poets of the interior life whose learned ignorance articulates the art of loving God neighbor self the Church and the world. In *Soundings in the Christian Mystical Tradition* Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia. Through their stories and words Egan reveals that all were conscious of the paradox of human identity supremely and unsurpassably manifested in the God Man that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human. Harvey D Egan SJ is the author of numerous works on Christian mysticism and the thought of Karl Rahner. He is currently professor of systematic and mystical theology at Boston College.

The Riddle of Christian Mystical Experience Paul Mommaers,2003 A distinctive feature of mystical experience is that it is imageless. Mystics of various traditions witness indeed to their going beyond all intermediaries so as to enjoy immediate union. Understandably the idea of imageless immediacy is attractive and it is especially in vogue with those who hope to discover that different religious spiritualities converge if only the particularity of say the Christian way would be left behind. However a crucial question arises here. If mystical union consists in simply transcending what is part and parcel of the human condition where is its relevance? Is the mystic as such in a position to be his or her human self thinking and loving enjoying and suffering? Can he or she be active in the world of humankind? Obviously it is especially in the Christian tradition that this matter comes to the fore as a radical difficulty. For here there is the divine Image and Mediator so much so that the Humanity of Jesus ought to be integral to a person's union with God. Perhaps the Christian mystic is such an extraordinary figure that

the Humanity and all other images and intermediaries are for him or her at best a stepping stone that is bound to disappear The Riddle of Christian Mystical Experience aims to clarify this issue by analyzing the writings of such visionaries as Julian of Norwich Teresa of Avila and Maria Petyt of the ecstasy minded masters Richard of Saint Victor Bernard of Clairvaux and Bonaventure describing Francis of Assisi's experience of the cream of the Flemish mystics namely Hadewijch and Jan van Ruusbroec Nevertheless the preference for the mystical text does not prevent the Riddle from drawing on the insights of modern philosophers such as Jean Paul Sartre and Jean Luc Marion when treating of images and idols or Michael Polanyi and Ludwig Wittgenstein when reflecting on intermediaries The main result of this procedure may come as a surprise Far from turning into a detached creature who forgets about the Humanity and the human the full fledged mystic is as a Flemish mystic puts it wholly in God where he rests in enjoyment and wholly in himself where he loves with works Experiencing union with intermediary and without intermediary the true Christian mystic is unimaged as well as imaged upon the humanity of our Lord through heartfelt affection

The New Big Book of Christian Mysticism Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire **The New Big Book of Christian Mysticism** a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman **The New Big Book of Christian Mysticism** serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus's message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative

tradition within Christianity a tradition that has often been marginalized or cloistered to the church's detriment. As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice. McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition. At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence.

Christian Mystical Theology Patricia F. Frisch A Married Christian Mystic, 2023-11-17 Christian Mystical Theology A Way of Life. Mystical theology as a way of life is Bible based. It includes single and married laypeople and the religious who were mystics known throughout centuries up to contemporary times. Mystics are messengers into the Christian and human communities from their divine encounter with Jesus. In chapter 1 Committed Eros Patricia writes about her dual marriages her human marriage to Richard F Frisch fifty three years and her mystical marriage with Jesus thirty five years. Committed Eros shows her longing for faithful community development. Part 1 chapters also explain mystical theology the language of the mystics references for the enrichment and in depth exploration of mystics from the Bible up to contemporary mystics and the development of the Trinity. Part 2 flows from part 1 with examples from the Gospels and the Christian history of committed mystical friendships through the presence of Jesus. A unique understanding of Jesus and his mother's relationship to the incarnation becomes the basis for the following chapters regarding committed mystical agape friendships. Church leadership intellectual pursuits and everyday life are finding balance and harmony. Harmony is rising through the mystics contemplatives and ordinary people who enjoy peace through prayerful participation in contemporary mystical theology. The book ends with the hope that everyone finds ways to share their prayer journey with the communities.

1 **The Christian Mystic Warriors** Henry Epps, 2012-08-05 The Christian Mystic Warriors will restore basic Bible beliefs back to the church. *Teachings of the Christian Mystics* Andrew Harvey, 1997-12-16 The Christian mystics are the treasure of Western civilization yet they remain little known among those of us who are potentially their spiritual heirs. Andrew Harvey's anthology confronts us with the mystics in their own words to show us how well they serve even now as guides for the spiritual life and to challenge our preconceived ideas about the path of Christianity. He has chosen selections that represent all eras of the Christian tradition as well as the amazing range of people who have embodied it people like Francis of Assisi Meister Eckhart Julian of Norwich Teresa of Avila Thomas Merton Bede Griffiths and many others. *Love Burning in the Soul* James Harpur, 2005 The heart of the Christian faith is a direct encounter with God so profound that it can be referred to as union. It is an experience that cannot be described in words but it can be glimpsed in the radiant lives of the men and women called mystics. Here James Harpur presents the stories of some of the most influential Christian mystics from the past two thousand years. He provides their historical and ecclesiastical contexts as well as

appreciations of the unique contributions of each of them to the ongoing articulation of the way of love and union Love Burning in the Soul is a comprehensive and highly readable survey of the great Christian mystical tradition for everyone Included are Clement of Alexandria Gregory of Nyssa John Scotus Eriugena Bernard of Clairvaux Hildegard of Bingen Francis of Assisi Mechtild of Magdeburg Meister Eckhart John Tauler Jan van Ruysbroeck Gregory Palamas Richard Rolle Julian of Norwich Catherine of Siena Jacob Boehme George Fox Teresa of Avila Francis of Sales Jean Pierre de Caussade William Blake Pierre Teilhard de Chardin Thomas Merton Many others Wisdom from the Christian Mystics: How to Pray the Christian Way David Torkington, 2018-01-26 When Quietism was condemned in 1687 it resulted in an antipathy if not an open hostility to authentic mystical theology This situation has lasted down to the present day and has been aggravated by many forms of counterfeit mysticism that are self centred not God centred The consequences have been disastrous To restore the balance lost to Christian spirituality the author returns to the profound mystical teaching that Jesus himself lived and handed on to the early Church through his disciples His research has resulted in a book that details a practical daily spirituality for all that mirrors that which was lived by our earliest Christian forebears It emphasises the original balance between personal and communal prayer in such a way that our whole lives become the place where we continually offer our lives through Christ to the Father Christian Mysticism Louise Nelstrop, Kevin J.
