

The background of the book cover is a scenic landscape. In the foreground, a large, gnarled tree with dark, textured bark and sparse, light-colored leaves hangs over a rocky cliff edge. Below the cliff, a valley opens up, filled with lush green forests and rolling hills. In the far distance, a range of mountains is visible under a clear, light blue sky.

The Christian Book of Mystical Verse A. W.

Tozer,CrossReach Publications,2015-09-25 The purpose of this book is to bring together in one convenient volume some of the best devotional verse the English language affords and thus to make available to present day Christians a rich spiritual heritage which the greater number of them for various reasons do not now enjoy I have not hesitated to apply the term mystical to the material I have collected here though I readily admit that fewer than half a dozen of the men and women who would be called true mystics in the strict classical sense will be found here Such names as Eckhart Ruysbroeck John of the Cross Teresa Rolle Tauler Hilton Francis of Assisi for instance are not represented in this volume at all On the other hand the frequent appearance of such a man as Watts might cause the reader to lift a questioning eyebrow and ask Is Watts also among the mystics Well the answer must be Of course he is and so are John Newton and James Montgomery and Reginald Heber and Charles Wesley as well as many others who might have balked at being called mystics but whose writings nevertheless reveal unmistakable traces of purest mysticism and are the better for it And for that matter the same thing may be said of the inspired writings of such men as Moses and David and Isaiah and Daniel and Paul and John the works of the latter showing more than traces of the mystical spirit being indeed charged full with it

Thomas Stearns Eliot, Thomas Taylor, William Quan Judge, et al.,2019-03-01 **Michelangelo's Christian Mysticism** Sarah Rolfe Prodan,2014-04-14 In this book Sarah Rolfe Prodan examines the spiritual poetry of Michelangelo in light of three contexts the Catholic Reformation movement Renaissance Augustinianism and the tradition of Italian religious devotion Prodan combines a literary historical and biographical approach to analyze the mystical constructs and conceits in

Michelangelo's poems thereby deepening our understanding of the artist's spiritual life in the context of Catholic Reform in the mid sixteenth century Prodan also demonstrates how Michelangelo's poetry is part of an Augustinian tradition that emphasizes mystical and moral evolution of the self Examining such elements of early modern devotion as prayer lauda singing and the contemplation of religious images Prodan provides a unique perspective on the subtleties of Michelangelo's approach to life and to art Throughout Prodan argues that Michelangelo's art can be more deeply understood when considered together with his poetry which points to a spirituality that deeply informed all of his production **Modern Poetry and the Christian Tradition** Amos N. Wilder, 2014-04-08 In **Modern Poetry and the Christian Tradition** Wilder examines this movement in poetry in relation to the direction in which our culture is moving He interprets the significance of modern poetry and shows its relation to the traditional He gives attention to the representative poets of our time including Dylan Thomas Gerard Manley Hopkins Allen Tate W H Auden Wallace Stevens T S Eliot and others he notes the wider implications of their work and assesses from them the impulses and trends of our age As a poet of considerable ability as a student of literary criticism for many years and as a teacher Wilder is in a position to know and understand his subject The result is a book of permanent value to all concerned with the deeper meanings of civilization and Christianity **Christian Mysticism and Australian Poetry** Toby Davidson, Australian poetry is popularly conceived as a tradition founded by the wry secular and stoic strains of its late nineteenth century bush balladeers Adam Lindsay Gordon Henry Lawson and Banjo Paterson consolidated into a land based vigour in publications such as the Bulletin Yet this popular conception relies on not actually consulting the poetry itself which for well over one hundred and fifty years has been cerebral introspective feminine and highly even experimentally religious This book casts Australian poetry in a new light by showing how Australian Christian mystical poetics can be found in every era of Australian letters how literary hostilities towards women poets eroticism and contemplation served to stifle a critical appreciation of mystical poetics until recent decades and how in the twentieth century one Australian Christian mystical poet began to influence another and share their appreciations of Dante Donne Traherne Blake Wordsworth Bront Rossetti Hopkins Yeats Eliot and Lowell **Spiritual Lessons from Gems.
