*The Christian's Guide to Psychological Terms* Mary Asher, 2014-09-25 REVISED AND UPDATED to reflect the most current psychiatric and psychological industry standards Psychological terms are used in everyday conversations and not always with the correct meaning When a Christian needs to know the practical implications of a term this book is the most biblical and understandable resource available The Bible's teaching on each issue is clearly presented along with extensive Scripture cross references to facilitate Bible study

## **The Failure of Evangelical Mental Health Care**

John Weaver, 2014-11-17 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners

## **How Christian Is Our Present**

**Day Theology?** Franz Overbeck, 2005-06-21 This book is a translation of Overbeck's famous text *Ueber die Christlichkeit unserer heutigen Theologie* 1873 second edition 1903 together with an introduction and notes The complete original work is translated including the Introduction and Epilogue which incorporates some of Overbeck's late reflections on his friendship with Nietzsche and on theology The unique feature of this book is that it is the first translation into English of any substantial publication by Overbeck This is also the only work of a programmatic nature that Overbeck ever published on the vexed issue of theology's relationship to Christianity It raises questions about Christianity in the modern world and the role of theology within religion that still need to be answered As David Tracy has written Overbeck's friend Nietzsche used a hammer against theology Overbeck himself used a scalpel And Overbeck is finally the deeper challenge for theology This translation will make Overbeck's classic work available to a wider public and thus contribute to a better appreciation of his profound and still unanswered questions for contemporary Christianity
