Midwinter Folk Tales Taffy Thomas MBE, 2014-10-06 In this enchanting new book one of the country's most celebrated storytellers has gathered together traditional tales that have their roots in the cold and long dark nights of midwinter. Herein you will find magical accounts of the Legend of Tinsel the Christmas Cat and the New Year's Bell with a number of wintery riddles to unpick while enjoying the festive season and welcoming in the New Year. With so many folk tales intrinsically linked to ancient seasonal customs there are a few included here relating to traditions such as the Ottery St Mary Tar Barrels Devon the Viking Up Helly Aa Shetland and Tom Bawcock's Eve Cornwall. This is a book to curl up with in front of an open fire on long winter nights and to share and retell over a steaming mug of mulled wine

The Common Core in Grades 4-6 Roger Sutton, Daryl Grabarek, 2014-04-18 The Classroom Go To Guide for the Common Core is the first in a series of comprehensive tools to tap into the vast flow of recently published books for children and teens offering recommendations of exemplary titles for use in the classroom. Currency meets authority brought to you by the editors of the highly regarded review sources School Library Journal and The Horn Book Magazine. This guide includes approximately 200 selections published since 2007 for grades 4-6 recommended by The Horn Book Magazine. The titles are grouped by subject and complemented by School Library Journal's Focus On columns which spotlight specific topics across the curriculum. Providing context for the guide and suggestions on how to use these resources within a standards framework is an introduction by Common Core experts Mary Ann Cappiello and Myra Zarnowski. These experts provide perspective on the key changes brought by the new standards including suggestions on designing lessons and two sample plans. Following the introduction you'll find a wealth of books by category. Each section includes a listing of the top titles with brief explicit annotations and key bibliographic data. Focus On articles are appended to appropriate categories to support in-depth curricular development. Each of these articles includes a topic overview and list of current and retrospective resources including some fiction and multimedia that will enable educators to respond to Common Core State Standards call to work across formats

Dr. Seuss Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career his poetry politics art marketing and place in the popular imagination. Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd. And Seuss's famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover
