The Coming Of Rome Britain Before The Conquest:

The Coming of Rome (Routledge Revivals) John Wacher, 2014-06-17 The Coming of Rome first published in 1979 examines some basic features of Roman Britain the cities the towns and the monuments of an urban culture J S Wacher considers the evidence mainly from inscriptions of the people who inhabited or visited Britain during approximately the first two centuries of Roman rule The Roman conquest of Britain and the progressive extension of Roman control marked a dramatic transformation of British society Although there was much contact between pre Roman Britain and the Continent the advent of Romanisation meant incorporation into a much larger economic system But Britain stood on one of the most distant frontiers of the Roman world and the Romano British society which gradually evolved was thus distinctive Profusely illustrated throughout The Coming of Rome will appeal to historians and archaeologists as well as the general reader interested in some of the most formative centuries of Britain s development

The Coming of Rome. [Illustr.] John Wacher, 1981 An illustrated survey of Roman Britain considers the remaining archaeological evidence providing insight into the lives of the people who worked in lived in or visited Britain during the first two centuries of Roman rule

The Hutchinson Illustrated Encyclopedia of British History Simon Hall, 2018-12-07 The Hutchinson Illustrated Encyclopedia of British History is a comprehensive and authoritative guide to the people events and ideas that have shaped Britain from prehistory to the present day The editors have also sought to convey the truth that history is more than simply a compilation of facts from the past The editors have included as much factual information as possible in each A Z entry and numerous tables and statistics are included as well as many specially created maps and plans The chronological relationships of past events and lives are conveyed through various detailed subject chronologies attached to the relevant A Z entries A large thematic chronology following the A Z text provides a visual reference to the relationship between the events of British Irish history and events elsewhere in the world And the cultural context of as many entries as possible has been brought to life via a wide range of illustrations which provide a wealth of visual detail and often a key to past conceptions Interspersed in the text are 21 specially commissioned extended feature articles from noted historians that provide the analysis and the sense of the broad sweep of history that would otherwise be impossible to convey in an A Z reference book
