Non Profit Resource Center Report Sarasota:

The Nonprofit Manager's Resource Directory Ronald A. Landskroner, 2002-04-30 A newly revised and updated edition of the ultimate resource for nonprofit managers. If you're a nonprofit manager, you probably spend a good deal of your time tracking down hard-to-find answers to complicated questions. The Nonprofit Manager's Resource Directory, Second Edition provides instant answers to all your questions concerning nonprofit-oriented product and service providers, Internet sites, funding sources, publications, support and advocacy groups, and much more. If you need help finding volunteers, understanding new legislation or writing grant proposals, help has arrived. This new updated edition features expanded coverage of important issues and even more answers to all your nonprofit questions. Revised to keep vital information up to the minute, The Nonprofit Manager's Resource Directory, Second Edition, contains more than 2,000 detailed listings of both nonprofit and for-profit resources, products and services. Supplies complete details on everything from assistance and support groups to software vendors and Internet servers, management consultants to list marketers. Provides information on all kinds of free and low-cost products available to nonprofits. Features an entirely new section on international issues. Plus 10 bonus sections available only on CD-ROM. The Nonprofit Manager's Resource Directory, Second Edition, has the information you need to keep your nonprofit alive and well in these challenging times. Topics include: Accountability and Ethics Assessment and Evaluation, Financial Management, General Management, Governance, Human Resource Management, Information Technology, International, Third Sector, Leadership, Legal Issues, Marketing and Communications, Nonprofit Sector Overview, Organizational Dynamics and Design, Philanthropy, Professional Development, Resource Development, Social Entrepreneurship, Strategic Planning, and Volunteerism.

Ethics Management for Public and Nonprofit Managers Donald C. Menzel, 2016-06-10 This practical book is dedicated to building ethical organizations. It has been written for college students preparing for careers in public service as well as for elected and appointed officials, administrators and career public servants in the United States and elsewhere. Concise and comprehensive, Ethics Management for Public and Nonprofit Managers takes a managerial ethics approach to building and leading ethical public organizations. It includes a discussion of the U.S. constitutional and administrative environment in which officials carry out their duties, descriptions and assessments of the tools available to elected and appointed officials who are committed to building ethical organizations, an overview of legislative and administrative measures taken by Congress, presidents, the judiciary and the fifty states to foster ethical governance, unique coverage of ethics management around the world with a focus on the U.S., Europe and Asia, and hands-on skill building exercises with active learning opportunities that conclude each chapter. This third edition includes a new chapter on achieving ethical competence exploring a wide range of ethical issues that confront public and nonprofit managers in their efforts to lead and build organizations of integrity. Examples and cases from both the public and the nonprofit sectors are incorporated throughout the third edition so that the book acts as a kind of field guide for ethical

behavior with descriptions and assessments of the tools available to elected and appointed officials at every level
Accompanying the third edition text is a series of exercises that build ethical competence skills asking the reader to judge the ethical competence of key actors in cases drawn from recent headlines **National Directory of Nonprofit**
