

The background of the image is a photograph of a vast field of sunflowers. The flowers are in various stages of bloom, with many showing their characteristic yellow petals and dark brown centers. Above the field, the sky is a deep, vibrant blue. A massive, dark, cumulonimbus cloud dominates the upper portion of the image, with several bright, white lightning bolts striking down from its base. The overall composition is a high-quality photograph used as a backdrop for the book cover.

Meteorology Lab Manual

Cedric A. Grainger, Ronald E. Rinehart

Meteorology Lab Manual:

Explorations in Meteorology Kenneth C. Crawford, Oklahoma Climatological Survey, 2005-03 Developed by the Oklahoma Climatological Survey OCS research and service facility in concert with the University of Oklahoma EXPLORATIONS IN METEORLOGY places a strong emphasis on helping students understand weather and climate by using real meteorological data. The activities in this lab manual require that students tap into the OCS archives of meteorological data in order to complete meteorological exercises. Full color pictures and data graphs help students visually understand weather and severe weather topics. The lab manual also challenges students by providing optional questions intended for honors students making this lab manual appropriate for both introductory and honors meteorology courses.
