Solomon,2013-10-07 We have seven sisters looking for good men and it will lead them to Washington DC and there they find some good men but they have issues to deal with not to mention some problems that the sisters will not tolerate at all They will need to pass a test from their Uncle who has the family business under his authority and will not let just any one come into the family They have issues and problems their uncle sees that they are crazy about these boys and they might even be in love with these boys but some of them have baggage and he decides to help them with their problems and their habits for his nieces sakes He finds the lady of his dreams during the process and so does his sons The men from Washington DC have taken on a contract for the company and in one year they will get the contract or lose it either way the Uncle s will be a winner The guys show their talents but will they get the contract and the girls they have fallen madly in love with and changed their ways too We also find out they arent the only ones looking for good men and women We all have a past that we may not be proud of but we all can look to the future for change if we only try hard to do whats right The future will be a big picture for all of us if we only look listen and do what thus said the Lord says This is just my opinion and I am not criticizing anyone in this story We all have sin and I cannot point my figure at anyone unless I point it at myself sin is sin no matter how big or small in the eyes of the Lord This book is to inspire those who will read it and have an open mind The Lord wants us all to take inventory on ourselves and be mindful and not judge others I really hope you all will enjoy what you have read May the Lord guide you on your way to happiness and more **World Stories Retold for Modern Boys and Girls**

Boys and Girls to explore the rich tapestry of tales that connect us all **Last of the Good Boys** John McPhaul,2021-09-15
Last of the Good Boys By John McPhaul That Northlee boy didn t get drafted The Harper s none of their boys went to war
Billy Northlee ain t no more in college than I am He works up there at his daddy s store from time to time but his name s on
the books up at the state college just the same I m glad somebody from around here made it back home from over yonder It
looks like Rain Seed County paid for the sins of that war all by itself It don t make sense all them boys going over there and
dying that way People s a marching protesting and talking bout peace and love and the dead bodies kept a coming I don t
know what the world s coming to Around here you didn t want to stay at home or leave home scared the gov ment car be
waiting for you with a telegram Some white folks too They had theirs too The book begins in the deep then segregated south
where six black boys come of age in the mid 1960 s Each weigh their dreams and ambitions against conscription and the
Vietnam War Hopes for a better life lay seized in their aspirations for manhood when suddenly lives are blindsided and
impacted by that war Mel Streeter main Character voices his story against the backdrop of childhood memories in that tiny
town in Florida s Panhandle Streeter s dream to be an aviator and the torch he s carried since childhood for a girl much older
than him Rachel are realized in the den and complexity of Vietnam As a helicopter pilot he s paired with an amiable senior
pilot Habrasham and assigned to clandestine operations where he meets Xuan the beautiful Montagnard Woman a member
of indigenous tribes of South Vietnam who bears a twin like resemblance to Rachel The seasons of war and deaths of good
boys are churned in young Streeter s obsession with that resemblance Amid Streeter s powerful need to complete that circle
of romance emerges the horrors of life changing injuries and uncertain recoveries Seven years later 1975 when American
troops no longer occupy South Vietnam a small secret team is summoned to return to Vietnam just prior to the fall of Saigon
It is then the truth emerges concerning the clandestine missions flown by Streeter and Habrasham and the fates of Xuan her
family and village In a haunting and eclectic conclusion Last of the Good Boys delivers an urgent 1960 s accounting of the
human cost for the South Vietnamese people and shares an intimate view of the Montagnards of South Vietnam most
importantly a searing and touching view of the war s emotional impact on black American families **The Greatest French**
