temper combined with their charming and affectionate nature often leads them to be referred to as gentle giants The lineage of the Great Dane can be traced back to at least 36 B C where images of the breed appeared on Roman coins It is possible that their history goes back even further The American Kennel Club reports how historians have found ancient carvings of animals resembling the Great Dane on Egyptian monuments dated around 3000 B C Chinese literature from 1121 B C also

provides a written description of dogs similar to Great Danes One of the tallest dog breeds in the world the Great Dane could never be described as diminutive in stature Although the breed is often characterized alongside other giant dog breeds like the Old English Mastiff New Foundland and the Saint Bernard in practice it is often a Great Dane that is announced to be the tallest living dog in any one year EXCERPT FROM THE BOOK Crate training can be useful when housetraining a Great Dane

A crate with warm bedding and chew toys will allow your dog to indulge in his natural instincts to make a den Dogs are reluctant to soil the area in which they sleep Crates must always be introduced gradually and should never be used as a punishment Keep in mind that the crate will need to be sufficiently large enough to accommodate the rapid growth and size of a Great Dane Socializing Your Great Dane It is imperative that you properly socialize a Great Dane puppy This process will ensure the emotional health of your dog and the physical safety of people and other animals You should aim to introduce your dog to a wide variety of people animals and environments A Great Dane socialized in this manner will be a happier more

confident dog and less prone to skittish behavior The process of socializing your Great Dane should start by introducing him to many different people who should be encouraged to pet him and offer a small treat Your dog will learn to associate the people around him with positive experiences Buy a copy to keep reading [Great Dane](#) Stephen Person,2011-08-01 This book briefly describes the features and habits of the Great Dane **Great Danes Bible And The Great Dane** Mark Manfield,2018-01-16 My Great Danes are truly gentle giants in my life and this guide has helped me ensure my dogs are extremely healthy and happy thank you Rhonda Dusenberry Charlotte NC Great Dane Bible thank you it s become my trusted Great Danes guide the tips are really helpful and the photos are beautiful Donna Stilton Melbourne Australia Great Danes Bible And the Great Dane is really a well thought out and comprehensive guide to the breed I use it all the time for a reference and it s quite a fun read too Chris Topaki Minneapolis MN Top Class Guide to Great Danes you can t go wrong James Silson Phoenix AZ GREAT DANES BIBLE And The GREAT DANE is your definitive and proven Great Danes Guide and will be your trusted resource for life with this magnificent breed Everything is covered from Great Dane Puppies Great Dane Dogs Great Dane Training Great Dane Breeders Great Dane History Great Dane Health Great Dane Sizes How Big Do They Really Get Great Danes Mixes Great Dane Breeders How to Pick the Best While Avoiding The Worst Bringing Your Great Dane Home Great Dane Adults and Life Stages Great Danes Nutrition What you MUST Know Great Dane Temperament and all the proven INSIDER tips You ll need to have the very best experience with your Great Dane The Great Dane is a legendary companion and extremely rewarding breed which is also quite unique as you will learn within Everything is covered from Great Dane breed history finding the best Great Dane for your particular household Great Dane Puppies and how to pick the best while avoiding those that aren t right for you Great Dane Prices what can you expect to pay Great Dane Care are there any special concerns and keeping your Great Dane healthy for life is all covered within Great Dane color variations and what the secrets they may hold for your Dane s health are revealed within Importantly Great Dane life stages are covered from Great Dane Adolescence through to Great Dane Adulthood and how to maximize each stage along the way How to care for your Great Dane in old age and even how to slow down the process Mark Manfield covers in detail Great Dane Vaccinations Great Dane Size Lifespan and much much more this is unmissable insider info Whether you are considering a Great Dane for the first time or a seasoned Great Dane owner and lover the tricks and tips within this guide will prove invaluable This book is the must have guide for anyone passionate about the Great Dane The book is written in an easy to read and understandable style In a straight forward no nonsense fashion Mark Manfield illustrates vividly all aspects of your life with your Great Dane and the journey you re about to take together So what are you waiting for Click the Add to Cart Button Now on the Top Right of This Page to get yours now and discover what makes the Great Dane so great My Great Danes are truly gentle giants in my life and this guide has helped me ensure my dogs are extremely healthy and happy thank you Rhonda Dusenberry Charlotte NC Great Dane Bible thank you it s become my trusted Great Danes guide the tips are really helpful and
