

The Green Fuse

Ralph Smith

The Green Fuse:

The Green Fuse John Harte, 1993-01-01 A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among the world's ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists' love for the beauty of the world under their microscopes Harte's stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among the world's ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists' love for the beauty of the world under their microscopes Harte's stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature

The Green Fuse John Harte, 2022-07-15 A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among

the world's ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists love for the beauty of the world under their microscopes Harte's stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 **The Green Fuse** Hilary Mifflin, 2021-04-20

The Green Fuse is a tribute to plants describing their powers and their connections to humanity the earth and the cosmos Left unconvinced of the enduring success of her cancer treatment by conventional medicine the gift of a little book along with an opportunity of six months off to find her happiness had unexpected consequences While doing the 40 day herbal cancer cure the author experienced feelings of supreme wellbeing She decided to investigate why this should be The book outlines extensive research from many disciplines both worldwide and across the ages Hilary's findings chart the drastic loss of the use of plants in western medicine This has been accompanied by the erosion of our deep rooted harmony with the world wide web of nature through the loss of valuable traditional knowledge These have been replaced by our modern system of treating symptoms Alongside her research she developed a beautiful garden to grow plants based on her findings and from these plants she created and marketed high quality products with exceptional healing properties This is Hilary's story about seeking a felt understanding of the nature of human healing It shows that regaining the connections we have lost can enhance our health in body and mind and enrich our creativity and spirituality In the words of Dylan Thomas The force that through the green fuse drives the flower Drives my green age **Force That Through the Green Fuse Drives the Flower by Dylan Thomas** , 2011 *The green fuse* Naomi Matsuura, 1980 **Between You & Me** Mary Norris, 2015-03-31 New York Times Bestseller Named a Best Book of the Year by NPR the Wall Street Journal Publishers Weekly Kirkus Reviews and Library Journal Hilarious This book charmed my socks off Patricia O Conner New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker's renowned copy department helping to maintain its celebrated high standards In Between You Me she brings her vast experience with grammar and usage her good cheer and irreverence and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice

The Force that Through the Green Fuse Drives the Flower Dylan Thomas, Ceri Richards, 1947 **Through the Green Fuse** Michael Dudley, 1983-02-01 The Sculpture of David Nash Julian Andrews, David Nash, 1999-01-01 A fully illustrated overview of the work of David Nash a contemporary British sculptor famous for his work with natural materials

Pragmatics and Literature Siobhan Chapman, Billy Clark, 2019-12-15 Pragmatics and Literature is an important collection of new work by leading practitioners working at the interface between pragmatic theory and literary analysis The individual studies collected here draw on a variety of theoretical approaches and are concerned with a range of literary genres All have a shared focus on applying ideas from specific pragmatic frameworks to understanding the production interpretation and evaluation of literary texts A full length introductory chapter highlights distinctions and contrasts between pragmatic theories but also brings out complementarities shared aims and assumptions and ways in which different pragmatic theories can make different contributions to our understanding of literary texts The book as a whole encourages a sense of coherence for the field and presents insights from various approaches for systematic comparison Building on previous work by the editors the contributors and others it makes a significant contribution to the growing field of pragmatic literary stylistics

A Study Guide for Dylan Thomas's "'Force That Through the Green Fuse . . .'" Cengage Learning Gale, 2016

Visions and Revisions Robert Burr, Barry Wallenstein, 2001-10-04 This anthology takes a unique approach to the process of poetry Each poem included in the book is followed by at least one earlier draft or version of that poem The reader is thus able to explore the development of the poet's vision and to make a variety of historical aesthetic and intellectual comparisons The poets represented have been chosen both on the basis of the aesthetic strength of their work and on the grounds of the availability of previous versions of their work The inclusion of a number of selections by poets ranging from Dickinson and Yeats to Larkin Plath and P K Page allows readers to focus in some depth on the work of these poets Though the anthology makes no claim to present a selection fully representative of different eras regions or poetic styles the inclusion of a miscellany as a final chapter adds a substantial measure of breadth to the anthology Each chapter includes brief commentary by the editors and questions follow each set of poems **Green Fuse** Ralph Smith, 1985 *The Green Fuse* Maurice Albert Unger, 1954
