The Goode Sisters:

The Good Girls Sara Shepard, 2020-06-02 Voor alle fans van Pretty Little Liars Mackenzie Ava Caitlin Julie en Parker hebben een aantal niet zo nette dingen gedaan Maar hoewel ze het allemaal hadden over het vermoorden van de rijke pestkop Nolan Hotchkiss hebben ze het niet echt gedaan Het is gewoon toeval dat Nolan precies stierf zoals zij het hadden gepland toch Maar ze fantaseerden niet alleen over het vermoorden van Nolan Wanneer iemand anders die zij genoemd hebben sterft vragen de meisjes zich af of ze worden gevolgd Of zijn zij het volgende doelwit van de moordenaar **Good Girls, Bad Girls of the New Testament** T. J. Wray, 2016-03-02 Good Girls Bad Girls of the New Testament takes readers on a powerful journey through the vast landscape of Roman occupied Judea during the first century and the genesis of Christianity This landscape serves as the backdrop for twelve amazing stories of women whose paths intersect either by providence or design with the paths of Jesus or Paul Some of these women are familiar such as Mary the mother of Jesus while others like the wife of the infamous Pontius Pilate are lesser known Whether she is popular or obscure good or bad each woman's story is an important part of the overall Christian narrative Good Girls Bad Girls of the New Testament invites readers to take a more nuanced look at twelve stories that feature women to explore their lives more deeply in historical context and to understand the real story that includes both men and women The book goes beyond simply telling the story of a particular biblical woman to challenge readers to explore the enduring lessons the ancient writers sought to impart These timeless lessons are as important for us today as they were thousands of years ago **Good Girls, Bad Girls** T. J. Wray, 2008-10-23 The few popular Bible stories about women are often presented in black and white the women were good or bad Ruth or Jezebel But most of us fall somewhere in between these two extremes Good Girls Bad Girls invites readers to take a more nuanced look at 12 women in the Old Testament to explore their lives more deeply in historical context and to grasp what these stories might mean to women today T J Wray a biblical scholar asks readers to consider whether Jezebel was really as bad as generally believed and includes women ranging from the infamous Delilah to the mysterious Witch of Endor Impeccably researched and beautifully written Good Girls Bad Girls will appeal to both individual readers and groups interested in learning what the Bible really has to say about these twelve important women **The Goode Sisters** Takesha Powell, 2002-01-13 When they were little girls Kamilah and Denise were always at each other's throats The fact that they were sisters didn't matter to either one of them Years later as they meet at Mama's funeral they realize not much has changed Denise is still living her life hating the ghetto she came from while Kamilah refuses to leave it The Goode Sisters explores what happens when two strong African American women dig up dirt on each other name call and fight in the name of jealousy and deceit But a deep dark family secret threatens to pull both sisters into a sleazy sordid underworld that they may not be ready for They hash out feelings on everything from the boardroom to the bedroom to how hard it is to still find a good Black man This humorous novel explains why sistas just can't seem to get along **A Grammar of New Testament**

Greek Rodney A. Whitacre, 2021-11-30 A reader's guide to the morphology and syntax of Koine Greek From the pen of a seasoned instructor of biblical Greek this book functions as both an essential resource for second year students and an invaluable asset for all readers as they continue to hone and deepen their linguistic skills It begins with a basic overview of the language for new learners and for those looking for a brief refresher before moving into nuanced matters of morphology and syntax Whitacre's aim is ultimately to help readers understand the subtleties of the language on the pages of the New Testament thus he engages with the biblical text both grammatically and exegetically so that readers can experience its full power and beauty Including numerous illustrative examples throughout and several useful appendices at the end A Grammar of New Testament Greek is indispensable both as a textbook and as a reference for all readers of the Greek New Testament and other texts written in Koine such as the Septuagint and the Apostolic Fathers
