The Gorbachev Era:

The Soviet-East European Relationship In The Gorbachev Era Aurel Braun, 2019-07-15 This book focuses on the nature of the Soviet East European relationship in the Gorbachev era and on the prospects for the adaptation of that relationship to changing conditions in today's world examining trends and tendencies in Soviet East European relations

Japan's Response to the Gorbachev Era, 1985-1991 Gilbert Rozman, 2014-07-14 Gorbachev's transformation of both Soviet socialism and the Cold War world atmosphere kindled a far reaching debate in Japan Would Japan at last free itself of its secondary postwar standing Would a new Soviet system and world order soon be established Gilbert Rozman argues in Japan's Response to the Gorbachev Era that Japanese perceptions of the Soviet Union are distinctive and are helpful for understanding what will become an influential worldview Focusing on diverse opinion leaders and the relationship between the Japanese media policy making and public opinion Rozman shows how long standing negative images of Soviet socialism and militarism have been reconsidered since the mid 1980s His analysis treats burning issues such as the Northern Territories dispute the Soviet commitment to reform and the Soviet American relationship It also sheds light on Japanese views of Soviet history modernization and national character Such views reveal some of the building blocks for the emergent Japanese worldview Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Law and the Gorbachev Era Donald D. Barry, Ferdinand J.M. Feldbrugge, Georg Brunner, George Ginsburgs, 2023-12-04 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law

Europe and Naval Arms Control in the Gorbachev Era Andreas Fürst, Volker Heise, Steven E. Miller, 1992 For most of the Cold War naval arms control was the forgotten dimension of arms control Beginning in the late 1980s however it has become increasingly prominent in the East West dialogue But it is usually studied from the perspective of Soviet American relations This book examines the subject from a European perspective What role might naval arms control play in the European context What impact might naval arms

control have on the interests and perceptions of European states What opportunities for and obstacles to naval arms control exist in Europe The authors address these questions describing the naval interests and attitudes towards naval arms control of European coastal states as well as the Soviet Union and the United States in the Norwegian Baltic and Mediterranean seas
