**1** Since many have undertaken to set down an orderly account of the events that have been fulfilled among us, <sup>2</sup> just as they were handed on to us by those who from the beginning were eyewitnesses and servants of the word, <sup>3</sup> I too decided, after investigating everything carefully from the very first,<sup>4</sup> to write an orderly account for you, most excellent Theophilus, <sup>5</sup> so that you may know the truth concerning the things about which you have been in-

of the priesthood, to enter the sanctuary of the Lord and offer incense. <sup>10</sup> Now at the time of the incense offering, the whole assembly of the people was praying. <sup>11</sup> Then there appeared to him an angel of the Lord, standing at the right side of the altar of incense. <sup>12</sup> When Zechariah saw him, he was terrified; and fear overwhelmed him. <sup>13</sup> But the angel said to him, "Do not be afraid, Zechariah, for your prayer has been heard. Your wife Elizabeth will bear you a son, and you will call his name John. <sup>14</sup> You will have joy and peace, and many will rejoice at his birth. <sup>15</sup> For he will be great in the sight of the Lord. He will never drink wine or strong drink. From birth he will be filled with the Holy Spirit.

**The Gospel of Luke** I. Howard Marshall,1978-11-14 The Gospel of Luke was written says its author as an historical account of the ministry of Jesus Not only would it serve as the basis for a sound faith on the part of professing Christians but it would also claim a place for Christianity in history Christ s ministry as Luke shows is realized prophecy it is that time during which God s promise of salvation was fulfilled His teachings healing and acts of compassion are all part of the good news In Luke s Gospel Christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship Thus while Luke is the most conscious historian of the Gospel writers his history is a vehicle of theological interpretation in which the significance of Jesus is expressed In this commentary I Howard Marshall calls attention to the theological message of Luke the Evangelist His primary purpose is to exegete the text as it was written by Luke so that the distinctiveness of Luke s Gospel may be seen Basing his commentary on the third edition of The Greek New Testament Dr Marshall also refers to many variant readings which are significant in this study He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style It is by this meticulous analysis of the Greek that Luke s theological intentions can be objectively determined *The Gospel of Luke* Joel B.
