The Goulep:

Sufferstone Stella Atrium, 2011-12-16 On Dolvia the women of the savannah serve under the burka but Kyle Le was denied that covering by tribal leaders Only her gift of second sight and the mortgage on her fathers land protects her and her three sisters Kyle Le meets Brian Miller a Softcheeks who teaches her about offworld politics and accumulating wealth while she teaches him the words of power from Mekucoo Working alongside the warrior Cyrus they labor against the mining enterprise that robs the savannah of it mineral wealth and leaves the tribes with only the scarred and suffering land an intriguing tale The struggle to overcome oppression to preserve a way of life to maintain compassion in a cold and hateful conflict is always interesting and involving Atrium has a flair for creating and maintaining an atmosphere of mysticism and mystery she stays true to the situation never slipping out of the frame she has set Lisa DuMond online reviewer of science fiction

Heartstone Stella Atrium, 2012-05-24 The second installment of Atriums Dolvia Saga is a character driven sci fi tale that explores profound and timely themes of sexual oppression environmentalism and cultural intolerance Atriums intricate novel ranges widely in theme gender politics existential philosophy mysticism etc Set primarily on the planet of Dolvia where the females of the indigenous frequently warring tribes of the savannah maintain few rights and are forced to wear burkas the storyline revolves at least initially around Dr Edna Edwina Greensboro a bush clinic doctor whose courage compassion and vision have begun to change some of the insular ways of thinking Getting married to Lt Mike Shaw an off world military man and keeping two female gualarep oversized and sentient iguana esque reptiles increases her status But when she witnesses a mixed blood girl being brutally abused she realizes that shes working against centuries of oppression reinforced by cultural mores folklore myth and cruel men dead set on guarding the status quo After all the victims are only women The commentary on gender politics benefits from a foreign setting its an exercise in considering discrimination without finger pointing But thats only one aspect of this multifaceted story as Greensboro fights to save lives and educate the tribes people nefarious individuals and companies seek to profit from the chaos Atriums saga continues with another entertaining and powerful read reminiscent of Octavia E Butler and Margaret Atwood An allegorical emotionally intimate narrative for sci fi fans with broad themes that could appeal to a mainstream audience too Kirkus Reviews **The**
