The Gourdin Family

Philip N. Racine

The Gourdin Family:

Gourdin Family Papers Gourdin family, 1727-1852 Genealogical material 1727-1852 concerning the Gourdin family and related families includes clippings, copies of wills, notes, family Bible records and other items The Gourdin Family Larry E. Pursley, 1980 Louis Gourdin d. 1716 immigrated from France to America before 1693. He and his wife Mary Ann settled near Jamestown in what is now Charleston County, South Carolina. Descendants remained in the South for many generations.

Gentlemen Merchants Philip N. Racine, 2008 *Gentlemen Merchants* preserves the correspondence between members of two wealthy slaveholding merchant families, the Gourdins and the Youngs, in nineteenth-century Charleston, South Carolina. Because the correspondence lasts over forty years, the letters provide a significant record of historical Southern themes: plantation-born urban dwellers, the correspondents comment deeply and widely on their own family history, religion in the South, slavery and race, business, secession, Civil War and Reconstruction. *Gentlemen Merchants* offers a fresh perspective on the Old South's elite slaveholders from the vantage point of commercial offices, docks and wharves instead of the rural plantation. These prominent Charleston families grew wealthy through commercial trading of Sea Island and upland cotton, rice and wine. Charleston emerges as a main character in these letters as the discrepancy between the wealthy upper class and working-class immigrants becomes more pronounced. There are also letters from family members who traveled widely for business and pleasure. They recount travel adventures in England and France, on the slopes of Mount Vesuvius and at Niagara Falls. The Gourdins and Youngs lived in material comfort for over three decades and fought to preserve their way of life, the basis of which was made possible by slavery. The family was one shaped by privilege and destroyed by war. When the world changed as a result of the Civil War, the family members were left penniless. It is unusual that both sides of this correspondence have survived, making this collection an extraordinary primary source for historical research. Historically minded general readers will also enjoy the perspective on the urban South that these letters provide. Philip N. Racine published numerous articles and books about southern history, including *Piedmont Farmer*. He is currently the William R. Kenan Professor of History at Wofford College, where he has taught since 1969. **Love and Loss** Robin Jaffee Frank, New Haven: Yale University, 2000-01-01. Most often portrait miniatures were painted in watercolor on thin disks of ivory. They were sometimes worn as jewelry, sometimes framed to be viewed privately. Many were painted by specialists, although renowned easel artists including Benjamin West, John Singleton Copley and Charles Willson Peale also created them to commemorate births, engagements, marriages, deaths and other joinings or separations. The book traces the development of this exquisite art form, revealing the close ties between the history of the miniature and the history of American private life. **BOOK JACKET**

Papers of Henry Laurens Henry Laurens, David R. Chesnut, C. James Taylor, 2003-03 The concluding volume of a prestigious documentary edition. This, the sixteenth and final volume of *The Papers of Henry Laurens*, covers the last ten years of the statesman's life. During this period, Henry Laurens spent a hectic twenty-two months as a peace commissioner traveling

between Paris and London conferring with British ministers and his colleagues on the peace commission At the same time Laurens was coping with the grief of losing his eldest son John Laurens in battle family conflicts over a proposed marriage between his elder daughter and a French fortune hunter and his own poor health This mixture of public and private concerns continued throughout his stay in Europe as the commissioners attempted to negotiate a final peace treaty and a trade agreement with former allies and foes In January 1785 Laurens returned to South Carolina where he devoted the remainder of his life to personal affairs Despite encouragement to return to public service Laurens remained a private citizen with an active interest in the progress of his state In his later years he recommended an end to the importation of slaves and diversification of the economy Laurens died on December 17, 1793

Huguenot Genealogies, 2001 The volume at hand a reprint of Volume II of the printed records of Cambridge is a transcription of the records of Cambridge town meetings and meetings of selectmen from the town's beginnings until 1703

Gourdin John Raymond Gourdin, 1995 The Gourdin family traces its ancestors back to the seven children of Dr Robert Marion Gourdin and his slave Daphne Singleton living on Lenuds Ferry Plantation in Georgetown District between the 1830 and 1870s

Performing Disunion Lawrence T. McDonnell, 2018-06-30 This book traces how and why the secession of the South during the American Civil War was accomplished at ground level through the actions of ordinary men Adopting a micro historical approach Lawrence T McDonnell works to connect small events in new ways he places one company of the secessionist Minutemen in historical context exploring the political and cultural dynamics of their choices Every chapter presents little known characters whose lives and decisions were crucial to the history of Southern disunion McDonnell asks readers to consider the past with fresh eyes analyzing the structure and dynamics of social networks and social movements He presents the dissolution of the Union through new events actors issues and ideas illuminating the social contradictions that cast the South's most conservative city as the radical heart of Dixie

information search sites Her book on the United States categorizes web sites by state and includes vital records information sites prominent research libraries and societies indexes and databases and general information sites In the British Isles book Schaefer discusses British counties and expands her lists to include major sites for churches and the Celtic language as well as a place name index All three books provide easy access to useful genealogy sites While Howells strives for exhaustive coverage of genealogy links Schaefer offers very general site lists Though Howells s book comes with a solid price tag the purchase of each new and planned title in Schaefer s series would quickly rack up the same price or more Still for those who want only a brief focused guide Schaefer s books are an economical alternative Elaine M Kuhn Allen Cty P L Fort Wayne IN
