The Grammar Of Silence A Reading Of Marguerite De Navarres Poetry:

The Grammar of Silence Robert D. Cottrell, 1986-01-01 *The Grammar of Silence* Robert D. Cottrell, 1986 *The Prisons of Marguerite de Navarre* Queen Marguerite (consort of Henry II, King of Navarre), 1989 Approaches to Teaching Marguerite de Navarre's Heptameron Colette H. Winn, 2007 Marguerite de Navarre writer reformer patron was a key figure of the French Renaissance Her works however were critically reassessed by scholars only in the twentieth century Today her Heptameron is widely anthologized and frequently taught in undergraduate and graduate classrooms But teaching this collection of novellas presents challenges the work is in Middle French complex in its construction and far reaching in its use of historical context This ninety fifth volume in the Approaches to Teaching World Literature series aims to show teachers how to unravel the intricacies of the Heptameron for students The first part Materials reviews editions and translations surveys sources that are useful in the classroom and considers audiovisual and technological resources available to instructors The second part Approaches features twenty seven essays that explore the Heptameron and its cultural and historical contexts the religious and political ideas and the literary genres that influenced it its publishing history and its relation to other works by Marguerite Experienced instructors share insights about how to teach this work in foreign language and survey courses how to incorporate film and visual art in the classroom and how to approach the subject of gender in discussing Marguerite s writing The Power and Patronage of Marguerite de Navarre Barbara Stephenson, 2004 Although Marguerite de Navarre s unique position in sixteenth century France has long been acknowledged and she is one of the most studied women of the time until now no study has focused attention on Marguerite s political life Barbara Stephenson here fills the gap delineating Marguerite s formal political position and highlighting her actions as a figure with the opportunity to exercise power through both official and unofficial channels Through Marguerite s surviving correspondence Stephenson traces the various networks through which this French noblewoman exercised the power available to her to further the careers of political and religious clients as well as her struggle to protect the interests of her brother the king and those of her own family and household The analysis of Marguerite s activities sheds light on noble society as a whole **Reading Monarch's Writing** Peter C. Herman, 2002 In the first book to examine the verse produced by Tudor and Stuart monarchs eight Renaissance scholars demonstrate how monarchs used verse to reflect on their monarchic status and to assert royal policy As almost all of the poetry of these regal authors is inaccessible the volume includes a selection of their verse in modernized and newly edited texts offering an ideal study volume for specialists and the classroom The contributors examine the nexus of poetry and power from an unconventional New Historicist perspective from that of the person in power who writes poetry rather than that of the suitor of power Their approaches to the subject are interdisciplinary combining literary studies women s studies history the history of sexuality and manuscript studies

French Poetry Harold Bloom, 1990 A collection of critical essays examining French poetry from the Renaissance through

1915 *Literature Criticism from 1400 to 1800*, 2005 **The French Review** James Frederick Mason, Hélène Harvitt, 1987-10 **Journal of the Early Book Society for the Study of Manuscripts and Printing History** Early Book Society, 1999 *French Women Writers* Eva M. Sartori, Dorothy Zimmerman, 1991 Aims to acquaint the reader with the lives and works of the most important women writers in the history of French literature 51 essays cover individual writers with an emphasis on their experiences as writers a discussion of their major themes and surveys of critical reactions **Dalhousie French Studies**, 2005 *Women and the Book Trade in Sixteenth-century France* Susan Broomhall, 2002 Focusing on the vastly understudied area of how women participated in the book trades not just as authors but also as patrons copyists illuminators publishers editors and readers *Women and the Book Trade in Sixteenth Century France* foregrounds contributions made by women during a period of profound transformation in the modes and understanding of publication Broomhall asks whether women's experiences as authors changed when manuscript circulation gave way to the printed book as a standard form of publication Innovatively she broadens the concept of publication to include methods of scribal publication through the circulation and presentation of manuscripts and expands notions of authorship to incorporate a wide sample group of female writers and publishing experiences She challenges the existing view that manuscript offered a safe means of semi public exposure for female authors and explores its continuing presence after the introduction of print The study introduces a wide and rich range of unexamined sources on early modern women using an extensive range of manuscripts and the entire corpus of women's printed texts in sixteenth century France Most of the original texts uncovered during the author's own extensive archival and bibliographical research have never been re published in modern French Most of the citations from them are here translated into English for the first time The work presents the only checklist of all known women's writings in printed texts from prefaces and laudatory verse to editions of prose and poetry between 1488 and 1599 *Women and the Book Trade in Sixteenth Century France* constitutes the most comprehensive assessment of women's contribution to contemporary publishing yet available Broomhall's innovative approach and her conclusions have relevance not only for book historians and French historians but for a broad range of scholars who work with other European literatures and histories as well as women's studies **Mirroring Belief** Gary Ferguson, 1992 Offering new readings of Marguerite de Navarre's verse works by situating them within their contemporary religious and literary context this work reviews theological and mystical writings but pays particular attention to the devotional writing which flourished in the 15th and 16th centuries and which is virtually unknown today Four theological issues central to the Reformation are discussed the nature of justification the role of the Church and the sacraments the problem of faith and works and the question of the Bible and its interpretation Examining the religious structures and language that inform de Navarre's poems and plays Ferguson draws conclusions regarding the author's religious beliefs as they are mirrored in her poetry This text should be of interest to students of French Renaissance literature Picturing Silence Karen Pinkus, 1996 Karen Pinkus examines the social context
