

# The Great Awakening In New England

**Edwin S. Gaustad**

## **The Great Awakening In New England:**

**The Great Awakening in New England** Edwin Scott Gaustad, 1957 Perhaps the most profound religious revival in the history of the New World took place in New England three centuries ago between 1740 and 1742 this tremendous spiritual upheaval had an effect upon the American colonies comparable to those produced by the great Methodist revival in England and the pietistic revolution in Germany somewhat earlier Dr Gaustad considers the Great Awakening in New England one of the most significant cultural phenomena in American colonial history and has written a significant book that makes clear its theological intellectual and institutional effects in American life Now for the first time in a century this epoch is studied in full detail and with an objectivity impossible then It is seen that for all its excesses and errors this period in colonial life exhibited many aspects of the religious problem of this country Its examination in the light of present day theology is vital to an understanding of America's religious heritage Jonathan Edwards George Whitefield Solomon Stoddard and others were the prime movers of this revival that fused two disparate strains in New England life The Enlightenment which was sober and straitlaced and Revivalism which was emotional and intense Never before has this watershed in early American life been so thoroughly researched from the sociological the theological and the historical point of view publisher *Law and Providence in Joseph Bellamy's New England* Mark Valeri, 1994-10-13 This study of religious thought and social life in early America focuses on the career of Joseph Bellamy 1719-1790 a Connecticut Calvinist minister noted chiefly for his role in originating the New Divinity the influential theological movement that evolved from the writings of Bellamy's teacher Jonathan Edwards Tracing Bellamy's contributions as a preacher noted controversialist and church leader from the Great Awakening to the American Revolution Mark Valeri explores why the New Divinity was so immensely popular Set in social contexts such as the emergent market economy the war against France and the politics of rebellion Valeri shows Bellamy's story reveals much about the relationship between religion and public issues in colonial New England *NEW ENGLAND AND THE GREAT AWAKENING, A STUDY IN THE THEORY AND PRACTICE OF NEW ENGLAND CALVINISM.* HENRY BAMFORD PARKES, 1929 *Tenacious of Their Liberties* James F. Cooper Jr., 1999-02-04 Although the importance of Congregationalism in early Massachusetts has engaged historians' attention for generations this study is the first to approach the Puritan experience in Congregational church government from the perspective of both the pew and the pulpit For the past decade author James F. Cooper Jr. has immersed himself in local manuscript church records These previously untapped documents provide a fascinating glimpse of lay-clerical relations in colonial Massachusetts and reveal that ordinary churchgoers shaped the development of Congregational practices as much as the clerical and elite personages who for so long have populated histories of this period Cooper's new findings will both challenge existing models of church hierarchy and offer a new dimension to our understanding of the origins of New England democracy Refuting the idea of clerical predominance in the governance of colonial Massachusetts churches Cooper shows that the laity were both informed and

empowered to rule with ministers rather than beneath them From the outset of the Congregational experiment ministers articulated and lay people embraced principles of limited authority higher law and free consent in the conduct of church affairs These principles were codified early on in the Cambridge Platform which the laity used as their standard in resisting infringements upon their rights By neglecting the democratic components of Congregationalism Cooper argues scholars have missed the larger political significance of the movement Congregational thought and practice in fact served as one indigenous seedbed of several concepts that would later flourish during the Revolutionary generation including the notions that government derives its legitimacy from the voluntary consent of the governed that governors should be chosen by the governed that rulers should be accountable to the ruled and that constitutional checks should limit both the governors and the people By examining the development of church government through the perspective of lay clerical interchange Cooper comes to a fresh understanding of the sometimes noble sometimes sordid and sometimes rowdy nature of church politics His study casts new light upon Anne Hutchinson and the Antinomian Controversy the Cambridge Platform the Halfway Covenant the Reforming Synod of 1679 and the long standing debate over Puritan declension Cooper argues that in general church government did not divide Massachusetts culture along lay clerical lines but instead served as a powerful component of a popular religion and an ideology whose fundamentals were shared by churchgoers and most ministers throughout much of the colonial era His is a book that will interest students of American culture religion government and history

**The English and French in North America, 1689-1763.** Justin Winsor, 1887 *Narrative and Critical History of America: The English and French in North America, 1689-1763* Justin Winsor, 1887

**A Puritan Wooing** Frank Samuel Child, 1898

**The Great Awakening in New England** Edwin S. Gaustad, 2003-01-01

**History of New England: From the revolution of the seventeenth century to the revolution of the eighteenth century** John Gorham Palfrey, 1890

The accompanying map is a fac simile on a reduced scale of that published by Smith in the first edition of his *Description of New England* 616 volume 1 page 94 note 1

**Strangers & Pilgrims** Catherine A. Brekus, 1998 Margaret Meuse Clay who barely escaped a public whipping in the 1760s for preaching without a license Old Elizabeth an ex slave who courageously traveled to the South to preach against slavery in the early nineteenth century Harriet Livermore who spoke in front of Congress four times between 1827 and 1844 these are just a few of the extraordinary women profiled in this the first comprehensive history of female preaching in early America Drawing on a wide range of sources Catherine Brekus examines the lives of more than a hundred female preachers both white and African American who crisscrossed the country between 1740 and 1845 Outspoken visionary and sometimes contentious these women stepped into the pulpit long before twentieth century battles over female ordination began They were charismatic popular preachers who spoke to hundreds and even thousands of people at camp and revival meetings and yet with but a few notable exceptions such as Sojourner Truth these women have essentially vanished from our history Recovering their stories Brekus shows forces us to rethink many of our

common assumptions about eighteenth and nineteenth century American culture      **Narrative and Critical History of America: The English and French in North America, 1689-1763. 1887** Justin Winsor, 1887      **Puritan Rhetoric** Eugene E. White, 2009-10-01 The nature of Puritanism in America and the role of emotion in religion is the subject of this important and useful collection of five religious orations discussed and appraised by Professor White for students of Puritanism and rhetoric The five orations presented here consist of three by Jonathan Edwards Future Punishment Distinguishing Marks and The Nature of the Affections one by Charles Chauncy Enthusiasm Described and Caution d Against and one by Ebenezer Gay Natural Religion as Distinguished from Revealed In the first or introductory part of the book Professor White discusses in considerable detail the broader implications of the confrontation between rationalists and revivalists in New England represented by the following orations during this most important upheaval in the Colonies prior to the Revolution The orations themselves are arranged to represent the force and counterforce of reason versus emotionalism and the precarious balance maintained momentarily and eventually lost And in the third part of the book Professor White provides critical analysis and suggested appraisal for further interpretation and inquiry      **Narrative and Critical History of America: The English and French in North America, 1689-1763. 1887** Justin Winsor, 1887      History of New England ...: History of New England from the revolution of the seventeenth century, to the revolution of the eighteenth John Gorham Palfrey, 1890      **The Great Awakening** Richard L. Bushman, 2013-04-01 Most twentieth century Americans fail to appreciate the power of Christian conversion that characterized the eighteenth century revivals especially the Great Awakening of the 1740s The common disdain in this secular age for impassioned religious emotion and language is merely symptomatic of the shift in values that has shunted revivals to the sidelines The very magnitude of the previous revivals is one indication of their importance Between 1740 and 1745 literally thousands were converted From New England to the southern colonies people of all ages and all ranks of society underwent the New Birth Virtually every New England congregation was touched It is safe to say that most of the colonists in the 1740s if not converted themselves knew someone who was or at least heard revival preaching The Awakening was a critical event in the intellectual and ecclesiastical life of the colonies The colonists view of the world placed much importance on conversion Particularly Calvinist theology viewed the bestowal of divine grace as the most crucial occurrence in human life Besides assuring admission to God s presence in the hereafter divine grace prepared a person for a fullness of life on earth In the 1740s the colonists in overwhelming numbers laid claim to the divine power which their theology offered them Many experienced the moral transformatoin as promised In the Awakening the clergy s pleas of half a century came to dramatic fulfillment Not everyone agreed that God was working in the Awakening Many believed preachers to be demagogues stirring up animal spirits The revival was looked on as an emotional orgy that needlessly disturbed the churches and frustrated the true work of God But from 1740 to 1745 no other subject received more attention in books and pamphlets Through the stirring rhetoric of the sermons theological treatises

and correspondence presented in this collection readers can vicariously participate in the ecstasy as well as in the rage generated by America's first national revival

**Narrative and Critical History of America** Justin Winsor, 1887

**The New England Town in Fact and Fiction** Perry D. Westbrook, 1982 The author examines the institution and mystique of the New England town as it has impinged upon and molded the American imagination for two hundred years through the works of such writers as Thoreau Dickinson Cheever and Updike

*Great Awakening in New England* Edwin S. Gaustad, 1972-01-01

The First Great Awakening John Howard Smith, 2014-12-18 The First Great Awakening an unprecedented surge in Protestant Christian revivalism in the Eighteenth Century sparked enormous controversy at the time and has been a source of scholarly debate ever since Few historians have sought to write a synthetic history of the First Great Awakening and in recent decades it has been challenged as having happened at all being either an exaggeration or an invention The First Great Awakening expands the movement's geographical theological and sociopolitical scope Rather than focus exclusively on the clerical elites as earlier studies have done it deals with them alongside ordinary people and includes the experiences of women African Americans and Indians as the observers and participants they were It challenges prevailing scholarly opinion concerning what the revivals were and what they meant to the formation of American religious identity and culture

### **The Great Awakening In New England Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Great Awakening In New England free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Great Awakening In New England free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Great Awakening In New England free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Great Awakening In New England. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether

its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Great Awakening In New England any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Great Awakening In New England Books**

1. Where can I buy The Great Awakening In New England books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
