## **The Greene Murder Case:**

**The Greene Murder Case** S. S. Van Dine, 2016-01-18 This early work by S S Van Dine was originally published in 1928 and we are now republishing it with a brand new introduction. The Greene Murder Case is one of Van Dine's novels of crime and mystery. S S Van Dine was born Willard Huntington Wright in Charlottesville, Virginia in 1888. He attended St. Vincent College, Pomona College, and Harvard University but failed to graduate, leaving to cultivate contacts he had made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of the Los Angeles Times. In 1926, Wright published his first S S Van Dine novel, *The Benson Murder Case*. Wright went on to write eleven more mysteries. The first few books about his upper-class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties, his work was very successful. **The Greene Murder Case** S. **The Greene Murder Case** S. S. Van Dine, 2017-10-16 *The Greene Murder Case* focuses on the murders one by one of members of the wealthy and contentious Greene family. The family comprises two sons and three daughters under the rule of their mother, a bedridden invalid who spends her days feeling sorry for herself and cursing her ungrateful children. The family is required to live in the Greene mansion under the terms of their father's will. Philo Vance takes a hand when one evening a daughter of the Greene family is shot to death and another one is wounded. S S Van Dine is the pseudonym used by American art critic Willard Huntington Wright when he wrote detective novels. He was an important figure in avant-garde cultural circles in pre-WWI New York and under the pseudonym he created the immensely popular fictional detective, Philo Vance.

*The Greene Murder Case* S. S. Van Dine (pseud. [i.e. Willard Huntington Wright.]), 1928 **The Greene Murder Case** Willard Huntington Wright, 2021-08-30 *The Greene Murder Case* is a gripping detective novel penned by American writer Willard Huntington Wright, better known by his pseudonym S S Van Dine. Van Dine, 2025-09-18 *The Greene Murder Case* by S S Van Dine immerses readers in a gripping Jazz Age mystery set in a haunted New York mansion. The novel opens with the shocking murder of Julia Greene and the near-fatal shooting of her sister, Ada, both victims of a mysterious intruder in the Greene family home. As the investigation unfolds, amateur detective Philo Vance is called in to unravel the case, which quickly escalates into a series of calculated killings targeting various members of the Greene family. The Greenes, a dysfunctional dynasty bound together by a curse of inheritance and long-standing feuds, become the focus of a relentless murderer. Vance discovers a secret criminology library within the mansion, filled with books that detail the exact methods used in the crimes. The detective also uncovers suspiciously perfect snowy footprints outside the house, leading him to suspect that the killer is using knowledge from the library to orchestrate the murders. Each clue is presented with the

fairness and clarity characteristic of S S Van Dines style inviting the reader to solve the puzzle alongside Vance The investigation reveals a web of jealousy resentment and psychological manipulation culminating in a dramatic confrontation that exposes the true perpetrator The final twist reveals that Ada the adopted daughter who felt excluded and unloved used the criminology library to plot her revenge and eliminate those who stood in her way The Greene Murder Case stands as a classic example of the detective novel blending the atmosphere of a locked room mystery with the tension of a family drama Its intricate plot vivid characters and adherence to fair play clues make it a must read for fans of American mystery classics and historical crime fiction    **The Greene Murder Case** S. Latin Italian or German I have translated Mr Vance's witticisms within brackets I have done the same with his unique vocabulary where it seems practicable so as not to modify his own words but assist those without his massive vocabulary As usual my footnotes end with RM whereas Mr Van Dine's do not I have made a few clarifying word changes and engaged in some mild bowdlerism in an attempt to cleanse the volume of unnecessary sacrilege Reginald Martynique Esq 12 point Times New Roman type *The Greene Murder Case* S. S. Van Dine, 2020-05-22 It has long been a source of wonder to me why the leading criminological writers men like Edmund Lester Pearson H B Irving Filson Young Canon Brookes William Bolitho and Harold Eaton have not devoted more space to the Greene tragedy for here surely is one of the outstanding murder mysteries of modern times a case practically unique in the annals of latter day crime And yet I realize as I read over my own voluminous notes on the case and inspect the various documents relating to it how little of its inner history ever came to light and how impossible it would be for even the most imaginative chronicler to fill in the hiatuses The world of course knows the external facts For over a month the press of two continents was filled with accounts of this appalling tragedy and even the bare outline was sufficient to gratify the public's craving for the abnormal and the spectacular But the inside story of the catastrophe surpassed even the wildest flights of public fancy and as I now sit down to divulge those facts for the first time I am oppressed with a feeling akin to unreality although I was a witness to most of them and hold in my possession the incontestable records of their actuality **The Canary Murder Case : the Greene Murder Case** S.
