## **The Good Doctors Downfall:**

**The Good Doctor's Downfall** Wint Capel, 2004-12 What really happened before during and just after the sensational Prohibition era murder of the police chief by the town's most admired physician has been saved from oblivion by this book by retired newspaper editor Wint Capel. The Good Doctor's Downfall. The author dug up the facts and has arranged them to show in great detail how brilliant Dr J W Peacock ambushed the young arrogant police chief John Taylor on a busy downtown street in Thomasville a small North Carolina factory town. The doctor finished him off with a World War I souvenir a German Luger. The doctor also a city councilman and the chief began feuding after the chief decided to crackdown on those like the doctor who ignored the laws against gambling and drinking. The feud became unbelievably bitter and explosive. By the time of the attack downtown the doctor had been convinced it's either him or me. In a trial that featured the best legal minds in North Carolina the doctor barely escaped the electric chair. Then a year later he escaped a prison for the criminally insane. He managed to outrun them all. Only a horrible accident in California could rob him of his freedom. **Phantasmagoria** Robert Spina, 2019-06-17 There are legends that no one has heard about. There are myths that have yet to become myth. He has walked the earth for seven hundred years and no one knows it. That is because if he comes for you you will beg him to kill you. Lucifer is his master. Deceit is his power. Eternal life is his goal and your youth is what he is after. Retired Special Forces expert Stormy Rain Clouds known as Rain has no way of knowing if he is in a dream or in the real world. Will Rain be the first to figure out how to defeat the servant of hell or will his youth nourish the eternal life of the most evil being walking the earth. *The Realm of a Rain Queen* E. Jensen Krige, J. D. Krige, 2018-09-03 Originally published in 1943 this book discusses the life and culture of the Lovedu a Bantu tribe in South Africa. As well as discussing the Rain Queen much of the book is devoted to the royal institutions the network of links woven by kinship marriage and marriage cattle the legal procedure of compromise and appeasement and various aspects of magic witchcraft and religion. Considered as a whole the culture emerges as a structure supporting and in turn supported by the Rain Queen. **Autism, Pre Rain Man** Rich Shull, 2003-11-12 Rich Shull like many of his counterparts worldwide grew up in an era before Autism was diagnosable and as such we have figured out Autism from end to end. With our Personal experience in Autism thinking and real life we blend together Autism Picture Thinking and normal thought to achieve a normal life. We drive hold normal jobs and are not the stereotypical Rain Man or anti social genius the world knows so well as Autism. We can see the OBVIOUS errors and myths the current Autism thinking has created and thank our lucky stars we were never diagnosed or we would all be in a group home. Modern Autism Education is two Steps backwards. Our success in real life needs to be studied and accounted for. It is Autism's success bottled and waiting to be tapped. What Current Autism Expert can claim first had knowledge with Autistic thought and our super active senses and even our Pain free injuries. Pre Rain Man Autism has ignored us for years now. Perhaps it has missed a few points that we have discovered and cured. *The Boston Medical and Surgical Journal*, 1881
