

A horror-themed game menu for 'Granny'. The background is a dark, dilapidated hallway with peeling walls and a patterned rug. In the center, a doorway is occupied by a tall, thin, pale figure with a wide-eyed, screaming face, wearing a long white nightgown and holding a wooden cane. To the right, a staircase leads upwards. On the left side of the screen, there are three menu options: 'PLAY', 'MORE GAMES', and 'QUIT', each in a white serif font inside a dark rectangular button. The title 'GRANNY' is written in a large, white, distressed serif font in the upper right area.

Cross-Cultural Schooling Experiences of Chinese Immigrant Families

Shijing Xu, 2017-06-28 This book introduces the concept of reciprocal educational learning among cultures with very different historical and philosophical origins The concept of reciprocal learning grows out of a four year study of immigrant Chinese family narrative experiences in a Western context This book captures the lived moments of such transitional lives both in and

out of school settings to demonstrate why a child would appear and disappear from different caregivers purview Through the narrative lens of student and family life the study illustrates the intersection of Confucian and Western philosophies of education and how their interaction creates complications as well as benefits for both traditions hence the idea of reciprocal learning *From Granny's Kitchen* Kaylin R.
