The Grasmere Journal:

The Grasmere and Alfoxden Journals Dorothy Wordsworth, 2008-07-10 These two journals provide a unique picture of daily life with Wordsworth his friendship with Coleridge and the composition of his poems They also offer wonderfully vivid descriptions of the landscape and people of Grasmere and Alfoxden in Somerset which inspired Wordsworth and have enchanted generations of readers This edition includes full explanatory notes on the people and places Dorothy writes about

The Grasmere Journals Dorothy Wordsworth, 1991 This is perhaps one of the best loved journals in English literature Dorothy Wordsworth began it in 1800 to give her poet brother pleasure and for three years she noted walks and weather friends and neighbors on the roads of Grasmere The journals tell of Wordsworth's marriage the Wordsworths' concern for Coleridge and of the composition of poetry For this edition the original manuscripts have been freshly edited yielding new readings of previously misread or undeciphered words and restoring Dorothy Wordsworth's hasty punctuation Woof supplies a rich commentary illuminating every aspect of this marvellous personal record

Home at Grasmere Dorothy Wordsworth, William Wordsworth, 2007-04-26 A continuous text made up of extracts from Dorothy Wordsworth's Journal and a selection of her brother's poems Dorothy Wordsworth kept her Journal because I shall give William pleasure by it In doing so she never dreamt that she was giving future readers not only the chance to enjoy her fresh and sensitive delight in the beauties that surrounded her at Grasmere but also a rare opportunity to observe the progress of a poet's mind Colette Clark's skilful and perceptive arrangement of Dorothy's entries alongside William's poems throws a unique light on his creative process and shows how the interdependence of brother and sister was a vital part in the writing of many of his great poems By reading these poems in relation to the Journal it is possible to trace the processes by which they were committed to paper and so achieve a fuller understanding of them A writer in her own right Dorothy kept her Journal sparse in personal and emotional detail Yet there is nevertheless a deep emotional undercurrent running beneath the surface which only falters when William marries Mary Hutchinson Never again was Dorothy to achieve the freedom spontaneity and the limpidly beautiful prose with which she infused and irradiated the Grasmere Journals *Journals of Dorothy Wordsworth* Dorothy Wordsworth, 1958

New York Times A most beautiful deep and humble study of incredibly complex people Oliver Sacks Dorothy Wordsworth is an enigma William's beloved sister was his muse champion and most valued reader She is mythologised as a self effacing spinster and saintly amanuensis yet Thomas De Quincey described her as all fire and ardour Dorothy sacrificed a traditional life to share in her brother's world of words In her Grasmere Journals she vividly recorded their intimate life together in the Lake District marked by a startling freedom from social convention The tale that unfolds in her brief electric entries reveals an intense bond between siblings culminating in Dorothy's collapse on William's wedding day after which the woman who once strode the hills in all weathers retreated inside the house for the last three decades of her life In her magisterial biography Frances Wilson uses the compressed emotion of Dorothy's journals to evoke the rich interior world of a woman determined to live on her own terms one who deserves her own place in the history of the Romantic movement Intelligent and intriguing A portrait of a peculiar passionate yet meticulous woman which is hauntingly strange Sunday Telegraph Passion is the keynote of Wilson's fine biography Brims with the personality of an extraordinary woman Thrilling Sunday Times This beautiful wise biography draws Dorothy from her hiding places She emerges as a passionate figure Daily Telegraph Gripping Bold witty scholarly and speculative Margaret Drabble
