The Case Of The Rolling Bones:

The case of the rolling bones Erle Stanley Gardner,1975 **The Case of the Rolling Bones** Erle Stanley Gardner,2023-11-07 Perry Mason investigates a case of blackmail with a side of loaded dice Years ago Alden Leeds struck it rich when he discovered a vein of gold Now aging and single he finds himself surrounded by family waiting patiently to inherit his fortune When he announces his engagement to a much younger woman it sends that family into a panic fearing that it might threaten their future gains They have him admitted into a sanitarium claiming incompetence and that s when lawyering super sleuth Perry Mason gets involved but the case is about to get much more complicated Before all is said and done Mason will tangle with a cheating gambler a blackmailer multiple aliases multiple corpses and enough red herrings to lead even the most astute reader astray It will push the attorney s deductive powers to their very limits before all is revealed finally in his masterful courtroom cross examination A fast paced yarn with a delightfully convoluted plot The Case of the Rolling Bones is among the best of the long running Perry Mason novels which would go on to inspire multiple television series as well as adaptations for radio and film The book exemplifies the masterful page turning action for which its prolific author is remembered today Die falschen Würfel (The case of the rolling bones, dt.-2.
