

The Good People

Brian McManus

The Good People:

The Good People Peter Narv[ez, 1997-11-06 Whether called the good people the little people or simply them fairies are familiar from their appearances in Shakespeare's plays Disney's films and points in between In many cultures however fairies are not just the stuff of distant legend or literature they are real creatures with supernatural powers The Good People presents nineteen essays that focus on the actual fairies of folklore fairies of past and living traditions who affected and still affect people's lives in myriad ways

Darby O'Gill and the Good People Brian McManus, 2022-05-12 These are six brilliant and enthralling stories that while making you both laugh and cry also leave you desperate to know what happens next A nineteenth century Ireland is depicted steeped in the supernatural it's a place where both humans and fairies collide both refusing to be defeated in their quest for the freedom to govern their own lives We witness the friendship between Tipperary farmer Darby O Gill and King Brian Connors of the Good People grow These two who first thought that the differences between them meant that they were forever mortal enemies later realise that circumstances unite rather than divide them The stories also celebrate the most powerful fairy of them all the Banshee who is not really the scary villain that people sometimes imagine but rather a career minded kind hearted messenger from the Otherworld Brian McManus has made some changes to the original stories to present them to modern readers at their absolute best while still remaining true to the spirit and intention of Herminie Templeton Kavanagh These delightful tales of genuine Irish folklore full of charm wittiness and poignancy will appeal to children of all ages

Where did all the good people go? Eric Pitt, 2014-02-28 Would it not put fear in your heart to know you could only talk to your mother or father through an interpreter Wrong is wrong and right is right Most of us are guilty of wrong but our story is not over Some can walk upright and praise his name but still be sick in the spirit I can only imagine the fear of knowing you can only talk to the Creator through an interpreter I could not bring myself to bear witness to such an atrocity Though I must admit if that is what helps you to understand the blessings of heaven then so be it Love is love no matter the language and so shall hate be the same No It's truly hard for them to see tomorrow's sun shining through They know at any moment the raft of Christ shall return They must get as many soldiers as possible to fight for these times They are strong enough to say it is a brighter tomorrow but we are reaching because we live in dark times They are quick to tell those they seek to bring to Christ that you must remain steadfast we can only help you by doing things our way with prayer We all know they weren't always at this point where Christ's soldiers worship them and bless them with cars and expensive jewelry It took time and work for them to receive all these gifts from people What reason does a man of God have to give the blessings he or she receives back to the people of God They earned those treasures by speaking God's word No we all get it and accept it The silence has nuzzled its way in with torture that can only be described from aggregated accounts such as the sodomy of a child blatant discriminatory acts as well as the need to legally facilitate poverty in the streets of God blessed America We do understand the need for pertinent obligations overseas for a senator's
