Without Reservation Randy Kritkauskay, 2020-08-11 A powerful story of spiritual awakening reconnection with Nature and rekindling of ancestral wisdom Details the author s encounters with ancestral spirits and animal teachers such as Coy Wolf and profound moments of direct connection with the natural world Shows how ancestral connections and intimate communications with Nature are not unique or restricted to those with indigenous cultural roots Reveals how reconnection with ancestors and the natural world offers insight and solutions for the complex problems we face We are but a few generations removed from millennia spent living in intimate contact with the natural world and in close commune with ancestral spirits Who we are and who we think we are is rooted in historical connections with those who came before us and in our relationships with the land and the sentient natural world When we wander too far from our roots our ancestors and kin in the natural world call us home sometimes with gentle whispers and sometimes in loud voices sounding alarms In this powerful story of spiritual awakening Randy Kritkauskay shares his journey into the realm of ancestral Native American connections and intimate encounters with Mother Earth and shows how anyone can spiritually reconnect with their ancestors and Nature Like 70 percent of those who identify as Native American Kritkauskay grew up off the reservation As he explains for such off reservation indigenous people rediscovering ancestral practices amounts to a reawakening and offers significant insights about living in a society that is struggling to mend a heavily damaged planet The author reveals how the awakening process was triggered by his own self questioning and the resumption of ties with his Potawatomi ancestors He details his encounters with ancestral spirits and animal teachers such as Coy Wolf He shares moments of direct connection with the natural world moments when the consciousness of other living beings flora and fauna became accessible and open to

communication Through his profound storytelling Kritkauskys shows how ancestral connections and intimate communications with Nature are not unique or restricted to those with indigenous cultural roots Offering a bridge between cultures a path that can be followed by Native and non Native alike the author shows that spiritual awakening can happen anywhere for anyone and can open the gateway to deeper understanding Northwest Anthropological Research Notes Roderick Sprague, Deward E.
