of Women Walking With God Paula Ann Groetzing Reid, 2017-10-05 This is the story of 3 generations of women in my family women walking with God The story line is based on facts but purposely omits many details of the lives of the characters It has been written this way so as not to get bogged down in details and so the reader can read between the lines of the story can virtually replace the photos with those from their own life's story or that of a friend or relative The book is only unique in the specifics not in the generalities of how God works in the lives of His children He is the same yesterday today and forever How one sees Him working in the lives of the characters in this book is the same way He can work in the life of the Reader An alternate title could have been Everything in My Life Seemed to Be Going Wrong But God This saga is told from the 3rd person perspective of a wise old Aunt telling a story to a group of young women preparing for marriage
